Argentina Loan An Aid To Britain

By JACK VINCENT

WASHINGTON, Dec. 6.—The United States, furthering its aid-for-Britain program, arranged the \$100,000,000 loan to Argentina with the distinct understanding that Argentina extend England \$160,000,000 in credits to buy badly needed foodstuffs, a high administration official disclosed today.

The Argentina loan had the full approval of President Roosevelt before he left on his national defense tour in the Caribbean. It was revealed Mr. Roosevelt, it was added, was aware of the negotiations between Argentina and Britain for credits for England.

The United States-to-Argentina-to-England maneuver is the best credit arrangement that England could get at the present time as it sent its undersecretary of the treasury, Sir Frederick Phillips, to this country for a conference with Secretary of Treasury Morgenthau. Phillips flew to Washington for the conference today to give Morgenthau a complete report to England's financial status and her war needs.

President Roosevelt's action in approving the Argentina loan, while that country helps Britain is in line with the present administration policy against granting direct loans or amending the Johnson or neutrality acts to permit such loans.

Administration officials also regard the Argentina as a "gift-aid" investment, and it furthers the United States announced good-neighbor policy of helping countries to the south.

LONDON, Dec. 6.—Terrific bursts of anti-aircraft fire hampered and finally repelled waves of Nazi bombers that attempted a major attack on a British south coast seaport during the night, advisers received in London indicated today.

With aerial warfare between Britain and Germany showing no signs of a let-up, the British claimed to have handed out far more damaging blows than they have received in the past 48 hours.

(Editor's Note: Berlin authorities stated that German planes staged mass raids last night on London and on a south coast port of Portsmouth as well as military objectives elsewhere.)

"It was claimed that bombs of all calibers, including the heaviest, were dropped by the waves of German bombers."

British Report New Naval Battle Off Montevideo

(BULLETIN)
(International News Service)
LONDON, Dec. 6.—Another naval battle off Montevideo, scene of the historic Graf Spee clash, was revealed today with disclosure that the 20,063-ton former British passenger liner Carnarvon Castle now an auxiliary cruiser was damaged in an exchange of shots with a German sea raider yesterday.

The battle took place some 700 miles northeast of Montevideo, well outside the Pan American "safety zone" area.

Britain's armed merchant cruisers have a gun range of approximately 20,000 yards. It was assumed there that shots with the Nazi raider were exchanged at between 7 and 10 miles.

A brief announcement concerning the action said that the British ship was "slightly damaged."

ROME, Dec. 6.—Field Marshal Pietro Badoglio has been removed from his post as chief of the Italian general staff, it was announced today.

He has been replaced by General Ugo Cavallero, the announcement stated.

A royal decree was issued accepting the resignation of Badoglio and named Cavallero as chief of staff in command of all Italian forces.

(Editor's Note: The initial announcement gave no reason for the switch. But it was presumed to reflect Premier Mussolini's dissatisfaction over the course of the campaign against Greece, which has resulted in continued Greek successes against the Italians in Albania.)

U. S. Has 330 Major Combat Ships On Way

(BULLETIN)
(International News Service)

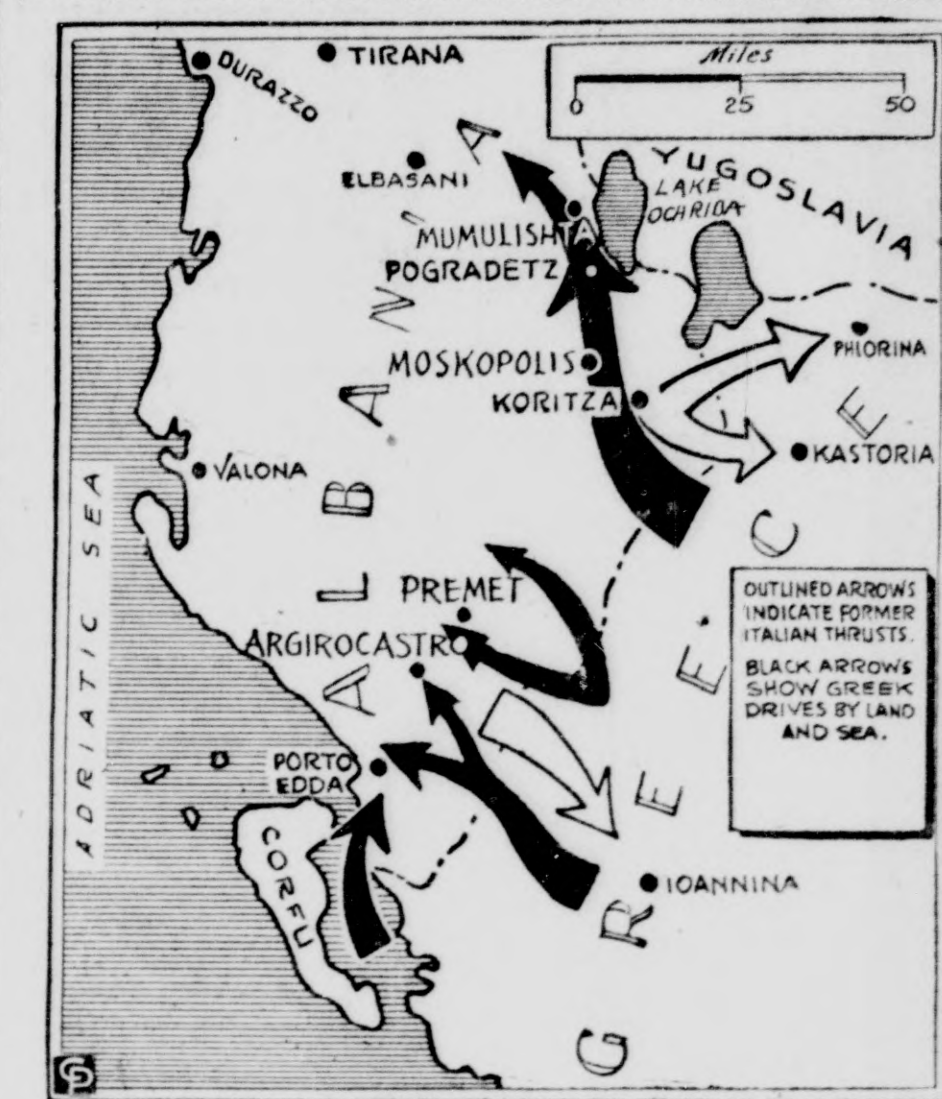

WASHINGTON, Dec. 6.—The United States has 330 major combat ships under construction, the national defense council announced today.

Contracts totaling \$3,800,000,000 for the ship construction program have been let, the council announced, and the balance of the \$7,000,000,000 allotted for war vessels will be utilized for armor, armament and equipment.

Ships are coming off the ways at the rate of one every 12 days, according to the report, and 162,000 workers are employed in the shipyards. Construction time has been substantially reduced, the council said. Cruisers are being built on a schedule of 35 months instead of 40; submarines, 24 months instead of 30; and destroyers are three months ahead of schedule.

Incomplete figures show that the middle Atlantic section, mostly New York, Newark, N. J., and the Philadelphia-Camden area has received most of the construction contracts with awards of more than \$1,000,000,000.

ATHENS, Dec. 6.—Victorious Greek troops surged into the Albanian cities of Santi Quaranta (Porto Edda) and Argirocastro today as Premier Mussolini's vanquished legions fled in panic and disorder to the north.

Full Greek occupation of the two key-points from which Italy had planned to invade and subjugate Greece was signaled when the blue and white striped flag of the Hellenic kingdom was ceremoniously flown from the town halls of both cities.

A brief official announcement told of the latest and most significant Greek victories since white-kilted mountain warriors took Koritza and broke the back of the Italian invasion at its outset.

British Make New Air Raids Upon Germany

LONDON, Dec. 6.—Heavy new blows against Germany's war machine by British bombers were announced by the air ministry today as reports to London indicated a Nazi night raid on a south coast seaport (identified by Berlin as Portsmouth) had been repelled.

The air ministry announcement said that British bombers yesterday raided an electro-chemical factory at Elmhoven, the Rotterdam airport and an airfield at Haamstede and the German submarine base at Lorient on the French coast.

Unfavorable weather prevented bomber operations during the night, the ministry stated, adding that R. A. F. planes sent out on routine patrols were missing.

New Equipment To Be Installed

New Cleaning Apparatus To
Be Added To National
Radiator Plant

Announcement was made today by Edward L. Brundage, superintendent of the National Radiator Company, of the installation of a new cleaning apparatus for the cleaning of boiler sections and plate castings. The machinery and equipment will be installed beginning about the first of the year and will be ready for use in about sixty days after installation has started.

The cleaning apparatus, known as a "Wheelabrator" will clean all sand and dirt from the castings mechanically instead of by hand as it has been done. In addition the dust elimination features of the unit will cut down the dust which rises from the hand cleaning process.

The equipment will be housed in a unit 75 feet x 90 feet in dimension. Made by the American Foundry and Equipment Company of Mishawaka, Ind. it is the most modern device known to the foundry industry.

The castings will go into the unit on hangers. As it rolls along through this kiln-like arrangement steel grit is hurled onto the castings under pressure, cleaning the castings thoroughly.

PA NEW OBSERVES

James Robinson, East Brook, has returned from a hunting trip in the vicinity of Kane, Pa., with a doe.

Another of the city's firemen proved his prowess as a deer hunter, Mike Russo, of Central station, returning home with a nice six-point buck, which he shot in the vicinity of Johnstown.

Clarence McCune of Evergreen avenue has returned home from a hunting trip to Forest county, where he bagged a doe, weighing 125 pounds.

John C. Pitzer, of 1231 East Washington street, has returned from a hunting trip, bringing back a doe, weighing about 100 pounds.

Walter and Roman Litwinowicz were two more local hunters who brought down deer this week in the north woods. In the Emporium district, Walter got a 180-pound eight-point buck and Roman got a 140-pound doe. They shot them Monday.

Two members of the New Castle Rifle Club—Wilbur Thomas and Ray Hammond have returned home from Clearfield County, where each was successful in shooting a four-point buck. Thomas had his deer at 7:15 o'clock on Monday the opening day, just 15 minutes after the season got under way.

Report Germany Seeking To End Italo-Greek War

(International News Service)

BUDAPEST, Dec. 6.—A German proposal to end the Italo-Greek conflict has been delivered to Greek Premier John Metaxas by Turkish Foreign Minister Sukru Saracoglu at a secret meeting in Salonika, Greece, it was reported in Budapest today.

The formula was said to have been handed to Saracoglu at Ankara several days ago by German Ambassador Franz von Papen.

While Greek and Turkish sources did not confirm these reports, they did not deny them. Furthermore, it was pointed out that Germany still maintains diplomatic relations with Greece.

(International News Service)
WASHINGTON, Dec. 6.—A broad program to prevent future strikes in the aviation industry is being drafted by the National Defense Commission, defense sources disclosed today.

The commission shortly will announce creation of a committee of management, labor and the government which is expected to agree to place a vital ban on strikes in the industry.

Strikes would be resorted to only after the commission has exhausted every means at its disposal for adjustment on controversies.

Decision to step into the aviation industry followed on labor relations in the shipbuilding industry. Representatives of employers, workers and the government yesterday agreed to place all disputes in the hands of the commission before halting work on shipbuilding.

Boy Scouts in troop 3 served as hosts to the scouts and served a luncheon.

WINDSOR CASTLE HAS CLOSE CALL

(International News Service)
LONDON, Dec. 6.—Britain's famous Windsor Castle today permitted revelation that three bombs recently fell on the grounds of Windsor Castle, the royal residence a short distance outside London.

One bomb fell on the golf course, one close to the tennis courts and a third missile, an oil incendiary bomb, dropped on the royal household bowling green, where it quickly burned itself out.

The royal lodge was damaged but no casualties resulted.

Bombs also were dropped on the town of Windsor, blowing off the roof of a nursing home. None of the patients were hurt seriously.

CITY TO BUY NEW GARBAGE TRUCKS

Modern Trucks Expected To
Aid In Efficient Garbage
Collection Here

Two modern garbage trucks will be purchased by the city of New Castle at an estimated total cost of about \$7,000, it was indicated yesterday when councilmen discussed the proposed budget for 1941. The modern trucks were advocated by Safety Director D. O. Davies, who heads the health bureau which contains the garbage department.

Davies stated that good collection cannot be kept up with the present old trucks. When the new trucks are placed in service, Davies asserted, four trucks, two new and two old would be capable of doing better work than the six now in service.

Each truck will be of at least 8-14 cubic yards capacity, be of the compressor type, meaning that the most of the water will be squeezed out of the garbage and which will drop into a pan beneath the truck.

TRAFFIC TOLL IS INCREASING

Head Of Motor Federation
Says Highway Fatalities
In State Jump

(International News Service)
HARRISBURG, Dec. 6.—Pennsylvania's boast of having the best highway safety record of any large industrial state in the nation is headed for the scrap-heap this year, the Pennsylvania Motor Federation today predicted.

Pennsylvania is headed for "one of the worst highway fatality records in its history," the motor federation stated, warning that "only a sudden and complete reversal of current trends, coupled with intensive law enforcement and accident-prevention activity by municipal authorities can keep 1940 from being among the blackest pages in Pennsylvania's highway accident records."

"On the basis of state and national trends thus far," the federation stated, "the prospect is that Pennsylvania's final traffic fatality total for 1940 will reach or pass the 2100 mark. Only twice in the history of the state have traffic deaths reached that appalling total—1936 when 2411 persons were killed and in 1937 when 2372 lost their lives."

T. Elmer Transeau, state director of highway safety, dismissed the federation's statements as "half-baked estimates."

Coming Session

(International News Service)
HERSHEY, Pa., Dec. 6.—Sen. Charles H. Ealy, Somerset, today was the unanimous choice of the Republican senatorial majority to be president of the party at the annual meeting of the 1941 session of the legislature.

James A. Geltz, Pittsburgh, Allegheny county's youthful hard-working senator rounding out his first term, also was selected floor leader unanimously. Both men were nominated yesterday at a closed meeting at Hershey called by GOP State Chairman James F. Torrance to map party strategy.

Early, a veteran of 14 years' experience in the senate, was placed in nomination by Sen. Charles R. Mallory Blair. Geltz was nominated by Sen. A. H. Letzler, Clearfield.

Attending the meeting of the 32 Republican senators with Torrance were Gov. Arthur H. James, Sen. Fred T. Gelder, Susquehanna, retiring president pro tem; G. Mason Owlett, floor leader, retiring from the senate after seven years, and Mrs. Caroline Y. Huber, vice chairman of the Republican state committee.

Two east boys were injured in a sled riding accident Thursday evening about 7 o'clock, on East Reynolds street.

The boys, Jerome McCar, aged 13 of Harrison street and Paul Harter, aged 11 of 763 Lathrop street, are confined to the New Castle hospital.

According to reports received at the hospital, the youngsters were hurt when the sled they were riding ran into a parked automobile, between Clearview and Pollock avenues.

The Harcar boy suffered a fractured right leg. The other youth was badly shocked.

(International News Service)
Pennsylvania's hunting fatalities today mounted to 16 for the first four days of the two-weeks deer season.

Latest victim was 73-year-old Ira Hamilton, who was found dead yesterday near his Titusville home after being missing for two days. The body was covered with snow and death was attributed to exposure.

Roy L. Gennill, 50, York county, was wounded when a slug ripped through his right shoulder from a rifle a companion dropped near a deer camp in Cameron county. Gennill was reported to be in a fair condition in a St. Mary's hospital.

Game officials said temperatures had moved upwards a little but predicted snow flurries would hamper hunters over the week-end.

Christmas Buying Gaining Momentum

With but fifteen shopping days remaining, New Castle residents are becoming shopping conscious. Christmas buying having gained considerable momentum this week.

It will be greatly increased tomorrow, when the first evening shopping period will be observed generally by local merchants. Stores will be open on the three succeeding Saturday nights and for a full week before Christmas starting December 18.

Most of this year's Christmas gifts will be "Made in America" articles, the European war having cut off the supply of gifts, trinkets, and Christmas tree decorations which have usually flowed into this country at

These are the days for the sled riding kids, these are the days they enjoy, its a sport that appeals to kinds of all ages, to every red blooded boy. And the girls too go in with their bright painted sleds, with a whoop and a holler they go, for its sled riding time when the winter begins and there is a trifle of snow. A ride down a hill then a walk up the grade, a red blooded sport I would say, so ho for the rides down a snow covered street, its cool, thirty seven today.

Housing Lack Delays Guard Call

May Be Further Delay In Calls

Work On Buildings At Army Camps Is Behind Expected Schedule

HALF OF GUARD NOW IN SERVICE

By GRIFFING BANCROFT, JR., International News Service Staff Correspondent
WASHINGTON, Dec. 6.—The housing bottleneck, which admittedly has impeded the defense program from the start, will cause further delay in calling up some of the national guard divisions originally scheduled to see service next month, war department sources disclosed today.

Defense officials are bound by law not to induct men into service until "adequate" housing facilities are available. This provision has been adhered to, but adherence has caused substantial delays all along the line.

Secretary of War Stimson originally announced that 90,000 draftees would be in uniform by December 2. Latest figures disclose that so far only about 16,000 have been inducted, with only 3,000 more, all from the south, now scheduled to be called before the end of the year.

Only Half Of Guard Called
It has been four months since congress authorized calling the national guard into active service, but so far only half the guard, about 120,000 men, are actually in uniform.

While no one would make any official announcement, it was admitted privately that this general slow-up has been due to the fact that construction of housing facilities is, in almost every case, taking longer than anticipated.

Of the 18 regular guard divisions, nine are now in service—four having been called in September, three in October, and two last month. The 35th Division from Nebraska, Kansas and Missouri, was scheduled to be called November 25, but later was postponed to December 23 "as fast as facilities become available" at Camp Robinson, Ark.

May Be Delayed
The other eight divisions are now slated to see service between January 3 and January 19 but authorities said that some of them might not go in until "sometime later, depending on housing facilities."

The four national guard cavalry divisions, which are to be reorganized into horse-mechanized regiments, also are awaiting call and no date for their induction has yet been set.

In addition, no effort has been made to bring the infantry divisions up to war strength of around 18,000 from their present force of about 10,000 each. This is to be done later with draftees "as facilities become available." Thus actual

tive guardsmen in regular divisions now total some 90,000 with 30,000 others in smaller units.

War department spokesmen refused to say in what places the housing construction is farthest behind, but gave the impression that the delays are spread more or less all over the country.

Delay For 28th Division
One of the divisions due to be called by January 19—the 28th from Pennsylvania—was specifically mentioned as one which probably will not be called until later because of housing delays at Indiantown Gap, Pa.

Others scheduled to be called in January but some of which "might be later," are:

The 26th, Massachusetts, to Massachusetts Military Reservation; 29th, Virginia, Maryland and the District of Columbia, Ft. Meade, Md.; 33rd, Illinois, Camp Peary, Tenn.; 43rd, New England, Camp Blanding, Fla.; 38th, Indiana, Kentucky, West Virginia, Camp Shelby, Miss.; 34th, North Dakota, South Dakota, and Minnesota, Camp Behrengard, La.; and 40th, California, Nevada and Utah, San Luis Obispo, Cal.

Battle Rages 48 Hours
For the past 48 hours this battle has been raging, and latest military dispatches said the Italians had succeeded in withdrawing only after suffering heavy casualties and the loss of much material. Many Italian soldiers were taken prisoner.

The Greek high command issued a communique, evidently on the theory that the Greek advances are still merely leading up to an anticipated major triumph. This war bulletin said:

"The struggle continued on the whole front. Our troops made further progress, especially in the central and southern sectors, despite the reaction of enemy aviation."

In the south mounting death and confusion harried the fleeing Italians as they retreated north and west under ceaseless artillery and aerial bombardment.

Italians Stampedede
Italian troops stampeded out of Santi Quaranto by truck, auto and by transport vessels, all under a merciless shelling that has continued now for more than 48 hours.

In addition, it was reported, an Italian tank column was completely annihilated east of Tepeleni under a Greek aerial dive-bombing assault reminiscent of the Italian disaster at Guadalajara in the Spanish war.

Other Italian detachments streaming from Argirocastro and Santi Quaranto over traffic-choked roads, offered easy and tempting targets for British and Greek bombers, who sprayed the Italians with death from the skies.

British planes were said to have bombed and crippled an Italian destroyer off Santi Quaranto as it attempted to cover the Fascist withdrawal.

One youngster, aged about three years, was thoroughly enjoying a shopping trip with his mother Thursday late afternoon, in an especially fitted carrier, made from a large pasteboard box tied securely on top of a sled and pulled by a large rope. Upon the return trip, the box also held the load of food stuffs which the parent purchased.

Sled riding certainly holds a fascination for some young people. Several grammar school students were seen early this morning, all dressed and prepared for school, merrily enjoying a few "quick" rides on the sidewalk on East Washington street, near Harrison street, before they journeyed off to study.

Thursday afternoon a couple of persons walking along Washington street were much surprised when some snow dropped on their heads from the roof of one of the stores. A couple of pigeons alighting on the snow protruding from the eaves caused the snow to fall. The birds also fluttered some when their "perch" gave way.

shortly after midnight, at no time reaching a large scale. The main attack on a south coast district, it stated, was carried out by planes that dropped high explosive and incendiary bombs, which damaged a church, houses, shops and other buildings and killed and injured a number of persons.

The communique said the attack on London was light but caused a few casualties, some of them fatal. London had two alarms during the night, the second ending just at midnight. Four bombs were dropped on a suburban residential area of the capital where fire hampered rescue efforts. Some persons were trapped in their demolished homes and killed.

In the attack on the south coast port of the German raiders fired dropped flares, then fire bombs and finally explosives in what appeared to be an effort to "concentrate" the town.

But the bombers ran into such a fierce anti-aircraft barrage that the attackers were forced to high altitudes and were unable to hit their targets accurately.

Casualties were reported relatively light, chiefly because all residents of the town remained in their shelters until the all-clear signal sounded.

Mrs. Wirtz was born in Sharpsburg, Pa., on October 16, 1862, daughter of Joseph and Mary Zuber. She had resided in New Castle and vicinity since she was 16 years of age, and was the last surviving member of a family of seven children. She was a member of the L. C. B. A. and was the oldest living member of St. Joseph's church, she and her husband having been among the founders of the church.

Surviving are the following children, Mrs. George Holsinger, of New Castle, Mrs. Frank Nicolls, of Sharon, Joseph C. Wirtz, Mrs. Albert Griefend, Mrs. Thomas Logan all of New Castle, Matilda and Katherine, at home; 17 grandchildren and four great-grandchildren. One of the grandchildren is Rev. Carl Holsinger of St. Anthony's church in Gary, Ind. Preceding her in death were a sister, Mrs. Barbara Forrest, who died two years ago and a son Harry, who passed away in 1924.

Funeral mass will be celebrated Monday morning at 9:30 o'clock from St. Joseph's church.

Mrs. Eliza Ann Foster
Mrs. Eliza Ann Foster, aged 82, widow of Albert A. Foster, passed away Thursday at about 10:30 a. m. at her home in Plaingrove township, Lawrence county.

She leaves a son, L. B. Foster, with whom she made her home, and a daughter, Mrs. Armina Neal of Grove City.

Funeral services will be held Saturday afternoon at 2 o'clock from the late home with Rev. Herman Bell in charge. Interment will be in the Plaingrove Presbyterian church cemetery.

Mrs. Geisinger Funeral
Funeral services for Mrs. Hazel Geisinger, Elton Valley, were held Thursday afternoon at 2 o'clock from the Elton Valley Christian church with Rev. R. A. Sweet, pastor of the Reformed Presbyterian church of Darlington, in charge, assisted by Rev. Robert Dyke pastor of the Elton Valley Christian church.

Palbearers were Eugene Watt, Marion Imboden, John McNeese, George Duncan, Hugh Marshall and Vernon Murphy.

Interment was in Little Beaver cemetery.

Mrs. Hiet Funeral Time
Funeral services for Mrs. Bertha Miller Hiet, New Middletown, O. R. D. 1, will be held Saturday afternoon at 2 o'clock from the Cunningham funeral home, Beasmer, with Rev. Joe Krumpholtz, pastor of the New Springfield Reformed church in charge. Interment will be in New Springfield, O. cemetery.

The family will receive friends at the funeral home this evening from 7 to 9 and Saturday from noon until time for services.

Mrs. Hiet passed away Thursday morning at 8:20 o'clock in the South Side hospital, Youngstown. She was born August 2, 1881, in Petersburg, O., daughter of Albert and Emma Warner Miller. She was a member of the Old Springfield Reformed church and was the widow of Jerome Hiet.

Surviving are the following children, Mrs. Earl McFadden, Emma Hiet of New Middletown, Mrs. William Smith of Lowellville, O., Mrs. Selma Marchesano of Youngstown, O., Vida, Clark and Harold, at home, one brother, Erbin Miller of New Springfield, and ten grandchildren.

CITES DANGER ON ATLANTIC AVENUE

Autoist Points Out Peril In Use Of Highway By Many Pedestrians

Attention has again been called to the danger to pedestrians using Atlantic avenue as a sidewalk by autoists who drive over this much travelled route.

Autoists say that it is difficult to see pedestrians walking along this highway at night, when cars are coming from the opposite direction, and believe that pedestrians should use extra precautions to guard their own safety.

There is no sidewalk along this road, and it is much used by pedestrians.

DEFENSE COSTS

SOME clarity is now coming to the defense program cost situation. Barring unforeseen developments America can determine about what the appropriations will be up to the beginning of the fiscal year July 1, 1943. Beyond that it is impossible to prophesy what will happen. Everything will depend upon the world situation.

About \$17,000,000,000 has been allocated for defense. Congress has appropriated \$8,250,000,000 in cash to launch the program. It has authorized an additional \$8,400,000,000 for contracts without actually appropriating the cash. The money for these contracts will come due in the fiscal year beginning July 1, 1941.

The Congress assembling next month will be asked for at least \$6,000,000,000 additional, bringing the total authorized to \$23,000,000,000. This \$6,000,000,000 will be used for 12,000 long-range bombers and 8,000 pursuit planes, to complete the Army's mobilization by providing complete military equipment for an army of 1,200,000 men, "critical" equipment for an additional 800,000 men, and a munitions productive capacity for a total of 4,000,000 men and to develop the Atlantic air and naval bases acquired from Britain.

It will cost \$3,000,000,000 per year to pay, feed, clothe and house the enlarged Army and Navy in addition to the cost of the necessary training material. If the Navy decides further to expand, appropriations will be greater. But this nation will prepare to the tune of \$23,000,000,000 at least.

STARVATION IN WAR ZONES

It is perhaps natural that the United States, the best informed, the wealthiest and the most philanthropic of nations, should now turn its attention to the feeding of children in Europe through the cooperation of the Red Cross and the government. Behind the nation's vast storehouses there has always been a heart of compassion for suffering humankind and America would not be in character if it did not now seek to abate as much as possible the awful winter tragedy confronting the war zones.

Information is that around the borders of conquering Germany are peoples who have not the wherewith to fill their stomachs let alone fortify their health with balanced rations. Slow starvation is their prospect. Some authorities claim that unless stores of vitamins get to those people before Christmas, there will be more casualties than Europe lost in soldiers during the last war.

The children particularly will suffer and leave scars on Europe morally, intellectually and spiritually for decades to come.

THIS IS AGE

A man, says a confident chorus, is as old as he feels. Is he? He would be if he didn't doubt his feeling. There in his heart is the dying ember. Let him blow upon it and find its fire. It is there all right—the fire—but how quickly it now dies away. Or fooling himself does he "feel" that the glow lingers longer than it does in fact?

Listen to this striking passage from Dr. Hertzler's latest book, "The Doctor and His Patients." Dr. Hertzler writes: "Just when is a man old? There is only one infallible sign and that is when he declares, anent nothing, that he is as good as he ever was. No matter what the subject at issue may be he thereby reveals a subconscious voice. If it concerns physical labor he exhibits supple joints, which, except to him, creek with senility; and while exhibiting this physical prowess, shows a shortness of breath which is due to a dilated heart that signals the coming end."

"I remember with pleasure a fine old man aged 92 who delighted to stand on one foot while he struck a match on the sole of the other shoe. He became obviously short of breath in the process but he paid no heed to that. He referred to his wife, my patient, aged 88, as 'the girl.' Yet after all since he succeeded in fooling himself it is but a small matter that no one else shared his delusion and everybody was considerate enough not to show him his folly in assuming a vigor he did not have."

It is a little difficult to follow the doctor's reasoning in his last example. After all, to stand on one foot at the age of 92 is a feat. Most people are permanently on their backs long before they reach that age.

WRENCHES OF PEACE

Necessary expansion of the nation's defense program has brought about in the piney woods section of Georgia something almost as tragic as if that area had been blasted by enemy guns. More than 1,500 old-time farm families, some of whom have lived many generations on their peaceful acres, are being moved to new locations because big anti-aircraft guns, soon to be set up, would endanger lives of civilian dwellers. The guns will send shells 17 miles. It is necessary to clear an area 21 by 30 miles.

Three villages, Taylor's Creek and Willis in Liberty county and Clyde in Bryan county, are being evacuated on orders from Army officers. The orders to evacuate were kindly issued. The military gave every assistance. Money was supplied to enable the building of new homes on new farms. But these could not greatly soften the poignancy which must have attended this mass evacuation. It was made under such benign aspects of peace as were possible.

Kindly, simple and poor folk are these Georgians. As generation succeeded generation on the farms nestled amid hills and valleys, something vital of each little patch of land—its trees, grass, brooks, trails and woods—grew into and became a part of each dweller. The men must have developed a fondness akin to that for old friends for their barns, their corncribs and their very plowshares. The women must have grown up with deep love for some farmhouse room where they were born or where they gave birth to sons and daughters. Little nooks and dells of lovers' days; a spring where the butter cooled, a favorite apple tree, a view from some hill across a valley to the setting sun—all were parts of their lives.

Now they must leave this for new and strange environs. It is to ensure peace in our land and time. But the wrench to accomplish this will be like that caused by war.

Kennedy's title in London was minister plenipotentiary and envoy extraordinary. But a man cannot wrap himself up in that against a bomb.

The Parent Problem

By Garry C. Myers, Ph. D.

ADOPTED CHILD SHOULD BE TOLD

Repeatedly in this column I have urged adoptive parents to tell the child as early as possible that he is adopted. Here is a letter which pictures the possible tragedy when this fact is not revealed to the adopted child.

Dear Dr. Myers:—Will you please write an article in your column about people who adopt children and later on in life when it is found out vigorously deny it? "I am an example of one of these cases. I am in my late twenties now, but I found out when I was sixteen years of age. When I went to my mother and asked her, she denied it and told me how crazy I was to think of such a thing."

Wrong Way To Tell

"About eight years later, in a quarrel, she told me she picked me out of a hallway. If these foster mothers only knew the heartache and silent suffering these children go through, they would reveal the truth to them. I have brooded so much, all these years that it has reflected on my personality by making me a morbid, disillusioned soul who has lost all interest in life."

It would seem to me bad enough for an adoptive mother not to tell the child before he felt occasion to enquire about it after hearing other people "talk." But for the mother to deny the truth as illustrated by this letter is truly awful. Nevertheless, this mother only did what nearly every other person would do. She refused to face the truth.

Any person should know that the adopted child will discover the truth at some time, human nature being what it is, and so many meddlesome persons are ready to reveal the secret clandestinely. When the adopted child long deceived discovers the truth at last, this child is not only disturbed by the fact but what is still more painful, feels that he has been deceived by the very one in whom he had put most faith and confidence.

Suppose you have an adopted child whom you have not told. Suppose you are reading the yearbook and the child discovers when and if the child discovers the truth for himself. Let me advise you to do this:

At a time when you feel well relaxed and self-controlled and there is a peculiarly fine relationship between you and him say:

"I want to tell you something which I should have told you long ago. You know I love you as much as any mother could love you. But my dear, I am not your real mother. Your adopted father and I wanted a little baby and because we loved you at sight we chose you as our very own. Then we adopted you, became your parents and will love you always."

"I hope you will forgive me for not having told you earlier. I thought you would be happier if you did not know. I see now that I was wrong. From now on I promise to hide no such matters from you."

The World AND THE Mud Puddles

WINSTON CHURCHILL.

Now that our political campaign is finished, after days of political speeches and broadcasts, the citizens of the United States can read the remarkable English of a great Englishman—the eulogy of Neville Chamberlain, by Winston Churchill. The admirers of President Roosevelt like to dwell upon what they call his "golden" voice, but let his voice be what it may, compare anything that the President has ever said with this extract from Churchill's eulogy:

"History with its flickering lamp, stumbles along the trail of the past, trying to reconstruct its scenes, to revive echoes, and to rekindle with a pale gleam the passion of former days. But what is the worth of all this? The only guide to a man is his conscience. The only shield, the rectitude and sincerity of his own actions."

Albert Billings Rudwick has compiled what is called, "Self-portrait of a Man." It is the story of the life, from childhood to today, of Winston Churchill, in his own words, selected from his own writings and speeches, which tell better than anything else could have told, how his life, step by step, trained him and gave him the character that made him just the man to lead Britain in her darkest hour.

It will be remembered that it was Winston Churchill who really saved England at the outset of the last World War. It was he, who as First Lord of Admiralty, sensing what was to come and what would come in the summer of 1914, ordered the British Fleet into the Channel and thereby saved the British Islands from the attack of the German fleet. That was in the early days of the airplane—before the modern warplane had been devised. Today he is assembling as rapidly as possible fleets of warplanes which will return blow for blow to the German air force.

There are three courageous figures portrayed in pictures that trickle to this country from the scenes of war in England. They are the figures of the King and the Queen and Churchill, who with seeming indifference to the dangers of falling bombs, move among the stricken people and by their own fearless conduct, inspire that dogged determination of the British people.

HINTS AND DINTS

Sun sets tonight 4:33. Sun rises tomorrow 7:10.

There are five banks in New Castle. Do you know the names of all of them and where they are located?

The 1940 calendars are about through. There is not a date on them that does not mean something serious to some one.

There are a lot of girls who never think of getting married until Mr. Right comes along. And then it's often Mr. Wrong.

Many people who do not expect any Christmas gifts are surprised.

TELLING HIM

A sailor attached to a destroyer took a wee drop too much and was hauled before the captain.

"Have you ever had any trouble in the navy before?" asked the skipper, sternly.

"Only once," said the sailor.

"Aha, I thought so," said the captain. "Out with it, now."

"I was asleep in my bunk when the captain ran the boat around," explained the sub. "I got an awful bump on the head."

What's become of the old-fashioned boy who put a chip on his shoulder and dared a kid to knock it off? That's the way they used to start fights. It seems that some nations are doing things that amount to about what the kids used to do.

Here is the way a local man answered the question of a friend whether or not he would buy a car this year. "Yes, that is as soon as I've paid for the one I had before the one I've got now."

EVERYBODY DANCE
Cowboy old time dance caller was asked to give one of his sing-song calls. So this is the way Cowboy reeled it off:

"Swing yer partners! Let 'er go! Balance all an' do-se-do! Swing yer girls and run away! Right, left an' gents sabashy! Gents to the right an' swing or cheat!"

On to the next gal an' repeat! Balance next an' don't be shy! Swing yer pard an' swing 'er high. Bunch the gals an' circle 'round. Whack yer feet until they bound! Form a basket! Break away! Swing an' kiss an' all git gay! All men left an' balance all! Lift yer hooft an' let 'em fall! Swing yer opposites, swing again! Back to partners! Do-se-do! All fine hands an' off we go!

There is no hitch hiker on the road to success.

A good time is something that you dimly remember.

It isn't a fact that makes us sensible, but lack of strength for raising hell.

It is easy to understand why men fail, but difficult to discover why they succeed.

In some places they are passing laws prohibiting livestock from grazing along the highways. In these days of galloping automobiles nothing is safe on the highways.

And the daughter goeth on a journey. And the editor throweth himself on the story of the farewell party. It runneth a column solid.

And the fair one remembereth him from afar with a picture postal card that costeth six for a jiney.

Behold, she returneth and the youth of the town fall down and worship. She picketh one and lo, she picketh a lemon. But the editor calleth him one of our promising young men and getteth away with it. And they send unto the editor a bid to the wedding, and behold the bids are fashioned in a far city.

Flowers and long is the wedding notice which the editor printeth. The minister getteth 10 bones. The groom stanneth the editor off for a 12-months subscription.

All flesh is grass and in time the wife is gathered unto the soil. The minister getteth his bit. The editor printeth a death notice, two columns of obituary, three lodge notices, a cubit of poetry and a card of thanks. And he forgetteth to read proof on the head and the darned thing cometh out "Gone to Her Last Roasting Place."

And all that are akin to the deceased jumpeth on the editor with exceeding great jumps. And they pulleth out their ads and cancelleth their subs, and they swing the hammer even unto the third and fourth generation.

We'd better settle this quickly. If workers and employers have the right to hold up defense work, which means helping the enemy, Democracy is incapable of defending itself.

What's What At A Glance

Mussolini Proves Flop As Militarist
Hast Lost Caste Over Greek Victories
Had Poor Material To Start With

By CHARLES P. STEWART
(Central Press Columnist)

WASHINGTON, Dec. 6.—No matter in whose favor the Axis-British war may end, our state department's conviction now is that the finish won't be a favorable one for Il Duce Mussolini.

In this belief officials find and express (so to voice, in order to remain at least for the present, reasonably diplomatic) a certain degree of satisfaction.

For the fact is that they've developed an even poorer opinion of Benito than of Der Fuehrer Hitler. Probably they hate Adolf worse than they do his Axis partner, but they don't despise him as they do the latter.

It was the other way about when the Nazis were just getting organized. The Fascists, at that stage of the game, already had gained considerable momentum with their program. Mussolini wasn't liked from here, but he was regarded as a man of a good deal of a bad sort of ability. He took Italy in hand when it was in a condition of complete chaos and dictated it into pretty fair order. At the time he and Hitler met initially, the Fuehrer was a mere untidy upstart in comparison with the Duce.

When Il Duce Led
In the matters of personal appearance and manner, too, the advantage was with Benito. Prior to his recent deflation the Duce was no joke to look at. Physically he was adequately dignified. He also could make an affective speech, and could yet, if it hadn't been discovered that it's pure bombast.

With his Charlie Chaplin mustache, Adolf, in a vicious fashion, always has looked simply funny. His oratory is unqualified yowling, as everybody's aware who ever heard him via radio.

So when the pair first got together, the general impression was that Adolf's whole idea was to take lessons. Maybe, then, Benito thought so likewise.

But by the time Adolf took the warpath he was, individually, fully as big a man as Benito. Indeed, he was a lot bigger. Germany being so much more formidable a tail for him to wag than Benito's Italy.

However, while the Fascists stayed on the fence, the difference wasn't so noticeable. Presently, though, Benito realized that he'd got to get into the muss actively, in order to qualify himself for his share of the plunder, assuming an Axis victory. France being on the ropes, he picked a first-class juncture to do it. He didn't have anything to do with the Paris government's capitulation, but nominally he had a hand in it.

Stalled In Africa
To make good, he had to keep up his part, and accordingly launched his North African campaign. He's stalled there today. Hence that's an Italian fizzle.

To make sure of some place he certainly could conquer he jumped on little Greece. All the world's military authorities agreed that poor little Greece would be easy pickings for him. And so and behold he can't even lick the Greeks!

As he said the other day, he'll break their backs yet. And neutral observers regretfully admit that they

think the Greek back ultimately will be broken—but not by Italy. The hope is that Germany'll have to lend a hand in effecting the fracture. It ought to be mortifying to Italians to have to have help to overrun so small a country as Greece.

These are critics who contend that the Italians themselves are very capable scappers. The critics' version is that the Italian rank and file didn't want to get into this war and that they're reneging on Benito.

Tough—Either Way
Perhaps it's true. If so, it'll be hard on Benito.

Suppose the British win the war. It's a foregone conclusion that not much will be left of Signor Mussolini.

Suppose Germany wins. How much will Herr Hitler give him for the less than trifling assistance the Fascists have been to the Nazis—so little assistance that the Nazis have had to help the Fascists?

Why, in Spain the Italians spent twice the effort that the Germans did to boost totalitarian General Franco's victory over the Spanish republicans. And now Herr Hitler's trying to scoop in all the Spanish gravy without a bit of regard for Signor Mussolini.

Benito hasn't proved to be much of a military commander. Signs are interpreted as indicating that he won't prove to have been much of a diplomat, either.

The Human Side Of The News

(By EDWIN C. HILL)
Copyright 1940 King Features Syndicate, Inc.

This is the season when the great game of professional football over here in America reaches its perihelion. It was the Duke of Wellington, who said it was said to be the Battle of Waterloo was won on the playing fields of Eton. And indeed, it would have been truly said, for the football fields of England helped enormously to produce not only the sturdy bodies but the sturdy, invincible spirit which won Waterloo and put a period to Napoleon's power.

Paraphrasing the Duke of Wellington, it is a fair assumption that the rapidly expanding game of professional football it right now, developing the type of young men we're going to need to lead our new draft army.

Professional football, under the strong vigilant guidance of such men as Tim Mara and John Mara of the New York Giants, George Preston Marshall of the Washington Redskins, George Halas of the Chicago Bears and Curly Lambeau of the Green Bay Packers, is turning out a mighty fine type of seasoned youth. The young men are a mental, physical and spiritual antidote to the softness which is said to have invaded the one time turdiness of American character.

No finer example of this type of young man could be found than the one who was honored by probably fifty thousand football fans at the Polo Grounds in New York on Mel Hein day, Sunday, December 1. Nothing in modern or old-time football can compare with the record compiled by Captain Mel Hein the New York Giants leader. Playing in the toughest competition ever assembled, Hein has more than held his own each year against the onslaught of younger talent and still he holds his position as top-ranking all-time center of football.

The most thrilling of outdoor sports is only fifteen years old in this town of Little Old New York. Tim Mara put his first Giant team on the field in the Fall of 1925 and it included such stalwarts as the Indian thunderbolt, Tim Thorpe, Jack Haggerty, Hinky Haines and Bob Folwell who were the war-tuff, Tuffy Leemans, Len Barons and Hank Soars of their time.

The mother in that long ago Would look me over, head to toe. And never let me leave the house In unspectored coat or blouse.

The wife for thirty years or more Has daily looked my raiment over. And coldly critical of choice. Refused to pass my eye of tie.

Now daughter Janet at the stair Cries: "dud, such awful things you wear!" You're not the slightest taste in dress!

Really, old darling, you're a mess!"

COUNTY GARDEN CLUB
HAS LUNCHEON-SPEAKER

"Peace On Earth—Good Will To Men" was the unanimous "Christmas Wish" given in answer to roll call by members of the Lawrence County Garden Club members Thursday, when they gathered in the home of Mrs. B. K. Thacker on Miller avenue, for one of the most delightful afternoon functions on their seasons calendar.

Launching festivities, was the serving of luncheon at noon, and the program planned, was presented afterwards, when the group was delighted in having as speaker, William Williams, an authority on garden plants and trees.

Mr. Williams, introduced by Mrs. Allan Ingals of Pittsburgh, held the close attention of the large assemblage, with an excellent address on "Evergreens", a timely topic, and in keeping with the season. He stressed the use of the evergreen for enhancing the beauty of lawns around homes and gardens, and told of their usefulness commercially as well. He also related the hearty evergreens used in these parts of the country and of their care.

Business was presided over by president, Mrs. L. F. Royston, during which time, Mrs. W. E. Ferver reported on the gourd show, recently held in the Garden Center in the Public Library building. The results were most gratifying, and especially were Garden Club members pleased with the interest shown during this exhibit, by residents here.

The program for 1941-42 was appointed, which includes Mrs. W. E. Ferver, Mrs. John Loudon and Mrs. Robert Lamoree.

Announcement was made, for the furthering of the "Christmas Lighting Contest" which is being sponsored by the Lawrence County Garden Club this year. It is their sincere hope that more residents will decorate their homes for this Yuletide season, entering the contest for prizes, and promoting civic pride as well.

The exhibit of the club during the afternoon, was to represent "Foreign Lands" and the prize was awarded to Mrs. John Loudon, for her arrangement.

An exchange of Christmas gifts brought the meeting to a close, and on January 2, the membership will assemble in the home of Mrs. Allan Urmon, Maitland Lane, for a similar session.

ALLEN-REESE
WEDDING TODAY

Miss Marian Allen, daughter of Mr. and Mrs. Merle Allen, of West Washington street extension, and Billy Reese, son of Mr. and Mrs. Elias Reese, of Pulaski, were united in marriage this morning at 9:30. Rev. Robert M. Patterson officiated at the ceremony in the Central Presbyterian church.

The bride was attractive in a soldier blue silk dress with matching accessories and a shoulder corsage of gardenias. She was attended by her sister, Gwendolyn Allen, who wore a poudre blue suede skin dress with soldier blue accessories and a shoulder corsage of pink roses.

Wayne Reese, brother of the bridegroom, served as best man. The couple departed immediately on a wedding trip to Washington, D. C. They will return the first of next week to take up residence in the Reese home.

Mrs. Reese is a graduate of the Union Township high school with the class of '38 and has been employed in the office at the Johnson Bronze Co. Mr. Reese is a graduate of the Union Township high school with the class of '36 and is an employee of the Youngstown Sheet and Tube Mill, Youngstown, O.

MARTHA SHRINE, 14
BANQUET THURSDAY

Colorful in every way, was the banquet given in the Scottish Rite Cathedral Thursday evening, by Martha Shrine No. 14, with worthy high priestess, Mrs. Edna Crain, presiding.

At 6:30 o'clock, the assemblage of seventy-five sat down at a large table in the west dining room, arranged in the form of a huge cross, and decorated with Yuletide ornaments in silver and blue. A most delicious full course menu was enjoyed.

Adjoining to the east lodge room, the ceremonial took place, with the candidates being highly impressed with the Shrine initiatory work.

Among the distinguished guests who participated, were Mrs. Alta H. Flagg, supreme worthy high priestess of Charleston, Mass.; Mrs. Margaret E. Caven, past supreme worthy high priestess, and Mrs. Ethel M. Lee, supreme queen, both of Pittsburgh.

Others joined the meeting in the east lodge room following the banquet, making an attendance total several hundred.

Colonial Club
Mrs. Nancy Terrell entertained members of the Colonial club in her home street residence Thursday evening with Mrs. William Saffell and Mrs. M. Mrozek sharing as special guests.

Hours were spent informally and Mrs. Roy Maloni was received into the club. Tasty refreshments were served by the hostess, assisted by Mrs. Sanfelice.

Names of big sisters were drawn and plans were completed for the Christmas party to be held in the home of Mrs. Pat Offredo on Bartlam avenue on December 21.

J. U. Club Meets
Mrs. Hazel Donnelly of Gardner Stop entertained members of the J. U. club, at a 12 o'clock luncheon on Thursday afternoon.

Card playing was the pastime the high score prize going to Mrs. Margaret McKissick.

On December 12, a Christmas party will be held with Mrs. Dorothy Schaffle at the home of her mother, Mrs. Charles Brown, of Hamilton St.

HONOR DAUGHTER ON
THIRD ANNIVERSARY

The third birthday of little Maxine Paula Slavovskiy will be one long to be remembered, the event having been appropriately celebrated Wednesday afternoon from 2 until 4 o'clock, when her parents, Mr. and Mrs. Maurice Slavovskiy, of 1007 South Mercer street, played hosts to twenty-two and their mothers.

The time was spent informally with a series of games and contests, and at lunch time, favors were given each as mementos.

Aiding Mrs. Slavovskiy in serving a birthday lunch from the attractively arranged table, were Mrs. Sylvia Markowitz, Mrs. Frank Colos, Miss Frances Corio, Mrs. I. Solomon, Mrs. Gus Slavovskiy, Mrs. William Markowitz, Mrs. Joe Rosen and Mrs. J. Cobb.

The hosts sent six bags of cookies and candy to the children confined to the New Castle hospital, as a part of the day's program.

A personal message of congratulations received by Maxine Paula from the President of the United States, was shown the assemblage.

Many lovely gifts were received by the honoree, as remembrances of the happy occasion.

REBA SINES HONORS
MRS. J. ROBERT BROWN

Mrs. J. Robert Brown, nee Margaret Bowers, was honored Thursday evening when Reba Sines entertained the teachers of the beginners' department of the Third U. P. church at dinner in a suburban tea room.

Games and contests proved delightful diversions with honors going to Mrs. Norabelle Douglass and Mrs. Thelma Lutz.

Late in the evening the honoree was presented with a lovely electrical gift for her new home.

Lydia Circle
Members of the Lydia Circle of the First Methodist church and the Study Group of the church held a joint Christmas meeting in the church parlors.

Miss Kate Stockman assisted by Mrs. Walter Reneker and Mrs. Roy Miller were in charge of the religious period.

Mrs. Edward Foster, chairman of mission education introduced Mrs. C. W. Marks, who reviewed the second chapter of "Dangerous Opportunities" in a pleasing manner.

Dainty refreshments were served at a later hour, by Mrs. G. D. Stoddard, Mrs. C. L. Asselman, Mrs. E. B. Bartlett and Mrs. C. C. Clark.

NO ACTION TAKEN FOR NEW SEWERS

North Street Storm Sewer, Proposed Often, Would Cost \$12,000, Report

Joseph D. Alexander, director of property and purchaser of supplies for the city of New Castle, during a budget-making conference Thursday in city hall advocated a North street storm sewer to rid the section south of the North Hill of "flood waters" following heavy rains. Finance Director James L. Pink also agreed that something toward this end which has been much talked of, be done. The sewer would drain the surface water into the Shenango river.

Director of streets and improvements, W. H. Dunlap, said that City Engineer Glenn R. Throop had not yet fully completed plans for the proposed sewer. He said a maze of pipes would make the proposed job difficult.

Mayor Charles B. Mayne indicated it might be best to put the sewer, if built, in Falls streets, between the curb and sidewalk.

Possible claims for damage to property were discussed.

According to an estimate said to have been furnished by City Engineer Glenn R. Throop the sewer would cost approximately \$12,000. It would be a city-WPA project, if started. However, no action toward building the sewer was taken.

For years there has been agitation by property-owners in the downtown area, especially from Public Square west, to alleviate a bad water situation. Water pools on Public Square and in some times has overflowed curbs in West Washington street west of Beaver street.

Mr. and Mrs. Andrew Cline and their family, formerly of Lees, have taken up residence on McCleary avenue, following their return from Baltimore, Md., where they have been living for the past year. Mr. Cline has accepted a position with the Pennsylvania Engineering Works.

EXPECT LIQUOR

PAYMENT IN 1941

City of New Castle did not receive its 1940 liquor license payment from the state because the money was devoted to relief. However, it is anticipated by city council that approximately \$20,000, due from 1940, and which may be borrowed against, will be received next year in addition to the 1941 sum.

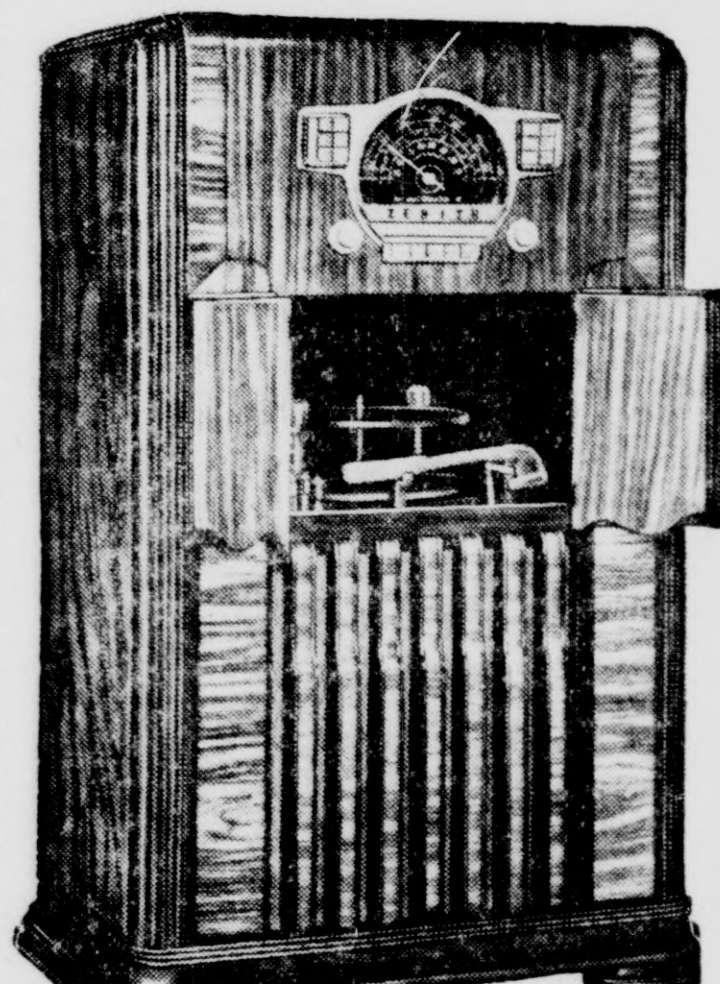

All things are relative, and the Supreme Court still seems conservative compared with the opinions of Black and Douglas.

Y. W. C. A. Notes

WASHINGTON RESERVES

Girl Reserves of George Washington school held their meeting Wednesday afternoon when they conducted a World Fellowship program. Devotions were by Dorothy Wallace and Phyllis Double.

Rose Mary Barrett, program chairman, gave introductory remarks to

the program, after which Pauline Ziegler read a story, "Four Words". The following girls gave talks on contributions made by different countries: Helen Vogan, shellac from India; Anna Mae Culbertson, India rugs from the Orient; Marcia Bolland, clocks from different countries; Jane Kerr, music, and Louise Lohr, painters and pictures.

Peggy McGill reports on the meeting of the planning committee held at the "Y" to make arrangements for the Christmas party on December 15 at the Y. W. C. A. Plans for a skating party were discussed afterwards, to be held on Friday, December 13.

Jean Paton led the group in singing, "Follow the Glean" to close the meeting.

ITALIAN MOTHERS CLUB

Thursday evening, members of the Italian Mothers club assembled

in the green room of the Y. W. C. A. An informal social hour was enjoyed, and a Christmas party and exchange was planned for December 19 in the green room. Those on the committee are Mrs. Margaret Benengase, Mrs. Antoinetta Casca-villa and Mrs. Clara Alberico.

Later in the evening a delicious lunch was served by the following hostesses: Mrs. Katherine Gillett, Mrs. Josephine Coppel and Mrs. Philomena DeFelice.

INJURED IN CRASH

Mrs. Reta Cain, aged 44, wife of Grover Cain, of R. F. D. No. 2, was admitted to the Jameson Memorial hospital at 11:25 o'clock Thursday night, for injuries sustained when the automobile of her husband was involved in a collision with another car. Mrs. Cain's injuries are not of a serious nature, it was stated at the hospital.

Dr. Dafoe's Column On The Quintuplets And The Care Of Your Children

(Copyright, 1940, King Features Syndicate, Inc.)

THE PELLAGRA VITAMIN

There is a vitamin that for some time was confused with Vitamin B1. It was referred to as Vitamin 2, then as Vitamin 9, and sometimes as Vitamin G. It is less confusing to remember it as the Pellagra vitamin because it appears to be the lack of it that produces disease that has taken such a terrible toll of lives amongst the poorer people.

Experts have estimated that about a quarter of a million people are affected yearly by pellagra and that of these at least 4,000 die of it.

It is characterized by skin eruptions and severe diarrhea. Sometimes, the bowels are almost completely destroyed and the victim is quite apt to become insane before death comes.

The Rockefeller Institute of New York became interested in the disease some years ago and spent a great deal of time and study tracking down its cause. They found that like beri beri, it was caused by a dietary deficiency. They discovered that the people amongst whom the disease had its greatest hold lived during the winter on a diet composed of salt pork, corn meal and molasses. They too, found, that people who drank milk and ate vegetables were spared the ravages of pellagra.

For the most part dietary deficiency that brought on the disease was caused by low wage levels and inadequate relief. But it was also established that many cases occurred among persons who could afford better food but were either ignorant of what constituted a proper diet. There is very little excuse for people suffering from pellagra, or for them going without sufficient of the vitamin for general good health, because it is found in fresh meats, especially liver, in eggs, in fruit, in fresh vegetables. Fortunately heating the food doesn't seem to destroy the vitamin value. However, it is soluble in water which is another reason for not throwing away the water in which you cook a vegetable.

Bill To Increase House Membership Has Been Proposed

(International News Service)
WASHINGTON, Dec. 6.—A bill to increase membership of the House from 435 to 450, and thus avoid loss of congressmen for all states except Kansas and Oklahoma, was put before the House Thursday by Rep. Rankin (D., Miss.).
Gains under the proposed increase would be as follows: One congressman each to Alabama, Arizona, Florida, Georgia, Kentucky, Michigan, Minnesota, New York, North Carolina, Oregon, Tennessee, Texas and Wisconsin and three to California, Kansas and Oklahoma would lose one each.
The bill would prevent Arkansas, Iowa, Indiana, Illinois, Massachusetts, Pennsylvania, Nebraska and Ohio from losing members as shown by President Roosevelt's recent reapportionment plan based on the 1940 census.

MISSIONARY SOCIETY ASSEMBLES THURSDAY

Mrs. Agnes Young and Mrs. R. R. McGeorge were gracious hostesses to members of the Women's Missionary society of the Reformed Presbyterian church, Thursday afternoon in their Highland avenue home.

After the devotional period was conducted by Mrs. M. D. Allen and Mrs. Mildred McConaghy, Mrs. James Blackwood gave a most interesting review of a chapter in the book entitled "Reformation in Scotland".

Plans were made to send a box to the Indian mission, and Mrs. S. L. Wilson had charge of the mission study, reading several letters recently received from missionaries in the foreign lands.

On January 2 an all day meeting will be held in East Washington street home of Mrs. Blackwood.

T. A. T. MEMBERSHIP AT ROPER RESIDENCE

In the DuShane street home of Mrs. Harold Roper, members of the T. A. T. club were entertained on Thursday evening, with attention being given to cards.

Mrs. William Mates, Mrs. Mary Wilkins and Miss Nancy Lightner won prizes for the honors. Additional awards were presented to Mrs. Monas Cunningham and Mrs. Alton Heard, both of Bessemer, who shared as special guests. They also aided the hostess in serving a delicious repast.

The next meeting on December 19 will be with Mrs. Nancy Lightner, on County Line street.

BRIDGE-SHOWER HONORS MRS. RICHARD BRUNDAGE

A lovely party of Thursday evening was the surprise bridge-shower given in the Garfield avenue home of Mrs. Hubert Wagner when she entertained informally for an assemblage of guests honoring her sister, Mrs. Richard Brundage, nee Thelma Morgan, a bride of recent date.

Contract held sway during the early period, with prizes being captured by Mrs. Betty Keck and Miss Marjorie Moore.

In serving a dainty collation afterwards, the hostess was assisted by her mother, Mrs. G. Hubert Morgan and Mrs. Howard Auser. The house was beautifully decorated for the occasion in the Yuletide motif, and the tables were arranged for 12.

Mrs. Brundage was presented with a shower of attractive gifts of a miscellaneous nature as the concluding feature.

Wise-Allen Nuptials
 With only members of the immediate family in attendance, Miss Betty Wise, daughter of Mr. and Mrs. George D. Glass, of West North street, and Charles M. Allen, son of Mr. and Mrs. Harry L. Allen, of Ridge street, were united in marriage in the study of the First Christian church, Thursday evening, with Dr. G. S. Bennett officiating.

Dispensing with a wedding trip for the present, the young couple have gone to housekeeping in their newly furnished apartment on the Pulaski Road.

Mrs. Allen is a graduate of the Senior high school and the Jameson Memorial hospital school of nursing, while Mr. Allen also graduated from the local high school and Bliss Electric School in Washington D. C. He is employed by the Pennsylvania Power Company.

Happy Group Club
 Mrs. Alex Cantora opened her home on Winslow avenue to members of the Happy Group club Wednesday evening.

A white elephant party was held and winners were: Mary Ellen Bordonaro, Mrs. Henry DiJacono, Teresa Scuduto and Mrs. Angelo Frediani. Margaret Bordonaro won the club token.

Harriet Lent assisted the hostess in serving a delicious lunch. Mrs. Joseph Leta, a special guest, received a lovely prize.

On December 19, a Christmas party and exchange will be held in the home of Mrs. Angelo Frediani, Maryland avenue.

Reunited Ladies League
 Reunited Ladies League members met with Mrs. Gertrude Houston on County Line street, Thursday evening, when she entertained in a pleasing manner.

Contests were featured, with prizes being carried off by Mrs. Elsie Phillips, Mrs. Rebecca Strong and Mrs. Bonnie Straight. The door award was presented to Mrs. Herman Keder.

After partaking of a tempting repast served by the hostess with her sister, Mrs. Gertrude Schuler aiding, plans were made for a Christmas exchange on December 19 at the home of Mrs. Herman Keder.

Sodality Rally On December 8

Sodalists Of Lawrence
County Will Participate
In Rally At St. Mary's
Church

COUNTY PRIESTS
WILL BE PRESENT

Sunday evening, December 8, Sodalists of Lawrence County, will assemble in St. Mary's church at 7:45 o'clock for a special event, the sodalist rally, which will be conducted with all Catholic sodalities taking part.

The purpose of the rally is to arouse general interest in sodality work. Similar rallies are now taking place in the diocese of Pittsburgh, and the results shown are most gratifying.

Priests of Lawrence County will be present on this occasion. Included in the ritual services will be the reception of new members into the sodality. Nearly all of the Catholic churches will have candidates to be invested during the ceremony.

The Rev. Fr. Coleman T. Carroll, of St. Scholastica's church in Aspinwall, is the speaker for the rally, and will preach an inspiring sermon. Father Carroll is the director of the North Sodality union, of which Lawrence County is also a part. The ceremony will come to a close with solemn benediction of the Blessed Sacrament and the Te Deum.

Catholic churches and priests to be represented at the rally are as follows:

St. Mary's—Rev. Fr. William F. Galvin, Rev. Fr. Leo S. Watterson.
St. Joseph's—Rev. Fr. Peter M. Schirra, Rev. Fr. William J. Erkens.
St. Vitus—Rev. Fr. N. DeMita.
Rev. Fr. Joseph L. Abbate.
St. Lucy's—Rev. Fr. Sebastian Ippolito.
St. Margaret's—Rev. Fr. Michael P. Hinnebusch.
SS. Philip and James—Rev. Fr. V. V. Staniewski.

District Meetings Are Arranged For District Dairymen

Federal Marketing Agreement
Act Will Be Discussed
Next Week

Sponsored by the Keystone Milk Producers Association, a series of meetings for Western Pennsylvania farmers has been arranged for the coming week.

An invitation has been extended to all dairymen of the district to attend any of these meetings, when the much-discussed Federal Marketing Agreement Act will be explained. Many believe this regulation is the only one which will protect the dairymen of Western Pennsylvania from cheap out-of-state milk.

The schedule of meetings is as follows: Monday, 1:30 p. m., Butler court house; Tuesday, 8 p. m., New Castle court house; Wednesday, 8 p. m., Beaver court house; Thursday, 8 p. m., Pike school, Allegheny county; Friday, 8 p. m., Mercer court house.

Health Conference At Slippery Rock On Next Monday

(Special To The News)

SLIPPERY ROCK, Pa., Dec. 6.—High school principals, health and physical education teachers, and coaches from the northwestern, midwestern and western districts of P. S. E. A., will be guests at a special conference at the college here on Monday, December 9, "to set up and propose an adequate, practical and effective program for health and physical education in the secondary schools of our state."

More than 350 high school principals, for whom the conference is intended, have been invited, while coaches and health and physical education teachers will act as technical advisors in the discussions.

Featuring the conference will be questions on the proposed bill now in the United States Congress "for the purpose of providing the several states and territories with funds for the further development of health, physical education and recreation in schools, including the salaries, training and employment of personnel, the development of teaching materials and methods, the purchase of necessary equipment and supplies and materials, and the maintenance of adequate facilities for such programs in our high schools."

Archib Dodds, head of the health education department at the college here, is chairman of arrangements for the meeting here.

Young Progressives Plans Sausage Fry

Event Will Be Held On December 12 In Sons Of Italy Club Rooms

At the meeting of the Young Progressives club held in the Sons of Italy hall, South Mill street, it was decided to have a sausage fry on December 12, in the club rooms.

RICH HILL NOTES

Theron Carr and Lester Dicks spent Monday in Warren county.

Mr. and Mrs. Ted Robison and daughter have moved to New Castle.

Mrs. Dorothy Smith, who had a tonsillectomy, on Friday, is doing nicely.

Mrs. Rose Carr and family of East Brook, were Sunday visitors of Mr. and Mrs. Jesse Umstead.

Mabel McConnell and Helen Carr who are employed in New Castle, spent the week end with their parents here.

Mrs. Paul Scofield and daughters, and Mrs. Mary Scofield, of Clarksville, were recent visitors of Mrs. William Knight.

War is like a bad case of flu. When you get over it, you are too weak to be any good and any little thing can start a relapse.

NEW BEDFORD

Lois Hilly was a New Castle visitor on Monday.

Mrs. Clyde Kelly visited with friends in Youngstown Monday.

The New Bedford Grange entertained the Pomona Grange at a dinner Wednesday.

Mr. and Mrs. Colin Campbell

have returned home after visiting with Mr. and Mrs. Eppinger of Conneaut Lake.

The Young Peoples Council enjoyed their Christmas party on Monday evening in the U. P. church.

Mrs. George Wortman is a patient in the Youngstown hospital and her condition remains unchanged.

Mrs. William Taylor entertained members of the F. A. Bridge club recently with honors going to Mrs.

Shook and Mrs. Glenn Eppinger. The New Bedford Garden club enjoyed their Christmas meeting recently in the home of Mrs. Irwin Ropp.

Note to Churchill: The Nazis believe in "frightfulness" because they know it would crack them. And if it works, it will save lives in the long run.

COUNCIL HOPES TO CUT MILLAGE

Budget Being Compiled In
Move To Reduce City
Tax Rate

When councilmen finished tentative appropriations for 1941, in city hall, Thursday afternoon, they still had a difference of approximately \$10,000, between estimated receipts from all sources and proposed expenditures for 1941. The estimated receipts total \$571,000 and expenditures, \$581,770. During the meeting councilmen agreed to reduce the tentative appropriations set during the morning session.

Council will deliver further into the proposed expenditures before Monday. However, they indicated the tax rate next year will be one-half mill less in 1941, than it was in 1940, which was 11 mills. It was pointed out that the 1940 millage was one-half mill less than in 1939. It was also indicated that no new bond indebtedness will be created during 1940, eighty four thousand dollars was paid off.

Council has adopted the idea that, by not creating new bond indebtedness the city will be in a position to "go places". It was stated that one of the reasons why business of today suffers is because of the "over-head" and the council regards bond indebtedness as "over-head."

DEANNA DURBIN IS PLANNING TO WED

Hollywood Songbird Will
Marry Vaughn Paul, Young
Producer-Director

(International News Service)
HOLLYWOOD, Dec. 6.—Congratulations from their friends in the film colony were being showered today upon Deanna Durbin, the film songbird, and Vaughn Paul, youthful producer-director, whose engagement was announced by Deanna's parents, Mr. and Mrs. James Durbin.

The wedding will take place next summer, although no definite date was announced.

Deanna was 19 on Wednesday, and that was the day that Paul placed the ring on her finger, thus bringing to a climax a four year romance. The two met in 1936 when Deanna was making her first motion picture. Paul was then an assistant director.

Paul's father is a motion picture executive.

Two City Employees Receive Increases

Two city employees, one permanent, the other an extra "hand", received slight wage boosts yesterday after their virtues were recited. "Fritz" McMillen, who works extra as a motor mechanic, will be paid 70 cents an hour. He is employed only when necessary. Charles (Dude) O'Brien, street department clerk, will receive \$120 monthly instead of \$100. He did not receive a salary raise when other salaries were raised a year or more ago, it was stated. O'Brien works long hours, especially during storms, and was termed a very efficient and faithful employee during the budget-making session in city hall.

TAX COLLECTIONS BEST IN LAST EIGHT YEARS

When council met in budget conference meeting Thursday in city hall it was stated by city officials that tax collections this year were the best during the past eight years. However, collections from liens for improvements were not quite up to expectations.

NO TRIPS PROPOSED FOR CITY PLANNERS

Years ago it was not unusual for city planners to take trips to other cities in connection with city planning. A small appropriation for this body was made yesterday when council met in budget meeting in city hall.

DRAFT APPEALS TO LOCAL BOARDS

Men Who Seek Change In Classification Must Apply To Own Board

(International News Service)
HARRISBURG, Dec. 6.—Men of military age who seek a change in their classification under the selective service act must make their application first to the local board which classified them, Gov. Arthur H. James said today.

An appeal from a classification, said the governor, must be made within five days after the local board has mailed the registrant's classification notice, unless an extension has been granted by the board.

If the appeal is made on the basis of physical and mental conditions the person appealing must sign the form, which appears on the report of the physical examination, attaching to the report a written statement specifying the classification in which he believes the registrant should be placed.

If the appeal is based upon any other cause, the registrant must fill out the "appeal to the board of appeal" on the questionnaire, attaching a similar statement.

Appeals to the president can be made only on the grounds of dependency and only in the event the decision of the appeals board is not unanimous.

Members of the Retail Merchants Association will remain open until 9 o'clock Saturday evening, it was announced today by President E. R. Hayes.

The week-day evening shopping hours will not start until Wednesday evening, December 18, when they will be open each evening from then until Christmas eve.

The merchants voted, however, to keep open on the three Saturday evenings starting with tomorrow evening, in addition to the full week before Christmas. The hours then will be from 9 a. m. to 9 p. m.

With what money he did not expend for a sewer machine and other items this year, and with a pencil that had a sharp point, W. H. Dunlap, director of streets and improvements, told council on Thursday that his appropriation request for 1941, would be about six thousand dollars less than in 1940.

Because of this, he is having the city buy one chassis for a dump body truck out of the 1940 appropriation (made last January) and make an additional appropriation for the purchase of another truck in 1941.

Director of Safety D. O. Davies and Mayor Charles B. Mayne yesterday in city hall conference agreed that every tool or piece of equipment owned by the city should be so stamped. Davies has given mechanics instructions to the effect that, if they are using their own tools to remove them immediately and the city will secure what is needed. Approximately \$40.00 will be appropriated, it was stated, for motor repair shop tools.

PORTSMOUTH SUBJECTED TO BOMBING ATTACK
(International News Service)
BERLIN, Dec. 6.—German bombers carried out a devastating attack on Portsmouth during the night, authoritative Berlin quarters declared today.

They stated, however, that the Portsmouth raid was less intensive than the large-scale German attacks on Southampton.

SLAYER OF WOMAN IS FOUND GUILTY

William J. Earnest, 35, Phila-
delphia Cook, Slayer Of
Atkins Woman
Protests

(International News Service)
NORRISTOWN, Pa., Dec. 6.—
William J. Earnest, 35-year-old
short-order cook, today faced death
in the electric chair for the brutal
"sadistic" slaying of Mrs. Ethel An-
gier Atkins, divorced wife of John
C. Angier, Duke tobacco heir.

"No. No." Earnest cried out as a
verdict of "guilty of murder in the
first degree" was read by the fore-
man of a jury of seven women and
five men. The group took almost
five hours to decide that the baby-
faced cook had deliberately com-
mitted what the prosecution called the
"most heinous crime in Montgomery
county's history."

Judge William F. Dannehower
granted Earnest's council five days
for a new trial motion and sus-
pended judgment. The verdict came
four days after the trial began and
69 days after the Philadelphia
was arrested in his place of em-
ployment for the gruesome slaying.

Mrs. Atkins, battered and mu-
tilated body was found in an unoc-
cupied Horsham township farm-
house which Earnest allegedly had
used for trysts with other women.
A chance remark by a mourner at
the viewing of the victim's body led
to the arrest of Earnest as the last
of a chain of men who kept tap-
room dates with the woman before
her death.

Why not agree to get out of Ire-
land if bases can be obtained that
way? Isn't it better to lose northern
Ireland than all of England?

Brahm's Chorus Will Give Sacred Concert

The Brahms' chorus of New Cas-
tle will present a concert of sacred
music in the Highland U. P. church
Sunday evening, December 8, at 7:45
o'clock, with David W. Rees as con-
ductor and Julia E. Zimmerman as
accompanist.

The program has been carefully
planned, to tie in with the Yuletide
season, and their presentations are
being looked forward to with keen
interest by music lovers.

A most delightful addition to the
concert will be organ selections by
Mrs. Jay L. Reed, who will play
"Concert Variations" and "Dreams."

Parent-Teacher

SHENANGO P. T. A.

The Shenango-Taylor Township
P. T. A. met in the school building
on Thursday at which time Mrs.
Leonard Cramer in an impressive
service accepted the group into the
national organization.

J. C. Syling, county superin-
tendent of Schools was introduced and
gave an impressive talk on "Always
Be Ready For Any Emergency."

The annual election of officers
took place with the following re-
sults: president, Mrs. Bertha Bul-
lock; vice president, Mrs. Cora Col-
lingwood; secretary, Mrs. Mary Shan-
ner and treasurer, Mrs. Armstrong.

It was reported that the kitchen
for the children has been opened at
the school, and plans were made for
the next meeting at the school on
January 20.

But if a wise foreign policy left us
weak, hated and without a strong
friend, what more could a foolish
one do?

U. T. C. Club Guests

Members of the United Com-
mercial Travelers club were deligh-
tfully entertained in the home of
Mrs. W. K. Conover on Pine street
Thursday evening, and she was ably
assisted with festivities by Mrs.
John Loner, co-hostess.

The leisure hours were devoted
to contests and cards, the trophies
going to Mrs. Elsie Nettle and Mrs.
William Atkinson.

Lunch was a later pleasure, serv-
ed by the hostesses.

Madhatters Club

Members of the Madhatters club
gathered in the home of Katherine
McClary on Morton street Wednes-
day evening.

At the close of play high score
award for cards was given to Mrs.
Paul Shoaff.

Delicious refreshments were serv-
ed by the hostess, and the group
was invited to the home of Mrs.
Charles Lees, Hillcrest avenue, on
December 16.

A. U. R. Christmas Party

Mrs. Edgar L. Thompson, 133 Eu-

mond Leigh last night when she
entertained.

Two tables of cards were in play
during the evening and later a de-
licious lunch was served by the
hostess assisted by her daughter,
Miss Dorothy Leigh.

CHRISTMAS PLANS

Ladies of the Missionary Society
of the Presbyterian church met
Wednesday for all day. At noon a
very delicious Christmas dinner was
served to fifteen members.

During the business that followed
it was decided that all of the ladies
of the church join in sending and
giving shut-ins a merry Christ-
mas.

Fruit, cakes, candy, etc., be
brought or sent to the church. On
Saturday, the 21st, the ladies will
fill baskets and deliver as usual
to the shut-in people in the vicin-
ity.

Doctors Ready For Any Defense Call

**Mobilization Of Medical Skill
Could Come Prompt-
ly Here**

The medical and surgical skill of
Lawrence county stands prepared
for any national defense emergency.
It was asserted last night at the De-
cember meeting of the Lawrence
County Medical society.

Speaking to fellow members of
the society in The Castleton, Dr.
Jesse R. Cooper, chairman of the

new medical preparedness commit-
tee, declared:

"All of our doctors have filled in
questionnaires which list their spe-
cialties and their fitness for cer-
tain medical work. We can tell at
a glance, or the government could,
where to find specialists and others.
Our committee shall continue mak-
ing preparations in line with the
thorough defense plans throughout
the nation."

With Dr. Cooper on the commit-
tee are Dr. D. C. Lindley and Dr.
L. W. Grossman.

The society last night heard Dr.
Cooper discuss "Some Cancer Prob-
lems." It was illustrated message.

Babson Warns Labor On Cooperation In U. S. Defense Program

By ROGER W. BABSON
Copyright—1940—Publishers Financial Bureau, Inc.

BABSON PARK, Mass., Dec. 6.—Uncle Sam has taken off his coat and rolled up his sleeves. We are really going to work. The American people are united in extending all help to England short of war. Our nation is ready to do its duty. In establishing this policy, it must be remembered that we have taken on grave and serious responsibilities. In plain English, we have thrown down the gauntlet to the toughest and most capable bunch of European political racketeers that the world has seen in centuries. Our challenge is to produce more and better materials of war in less time than they can.

We Must Pull Together
Will we be able to do this job under a free economy in contrast to complete and total regimentation in the dictator countries? My answer is an emphatic "Yes." I am as bullish as ever on free American enterprise with one reservation. It is absolutely necessary that all major groups in this country pull together. To win our race against the dictatorships, we cannot tolerate dissension. France has become the classic example of what happens to a country without unity. America has embarked on the greatest peace-time armament program in its history. Labor, capital and government must work together to get results. This means real and honest cooperation on the part of all. Remember, we must compete against industrial organizations which are regimented to the Nth degree. Labor in the dictator countries is driven to work 60, 70 and 80 hours a week and paid a fraction of our wage scale and no overtime! Even with these long hours and low wages, the dictators must be getting the cooperation of labor or else they would not have been able to produce such startling results to date. We in this country must realize what a terrific competitive race we have entered.

Where Does Labor Stand?
American industry has its shoulder to the wheel. The basic corporate income tax has been upped 33 per cent this year. This is to say nothing of the excess profits tax which ranges from 20 to 80 per cent.

These punishing tax rates have not brought a whimper from industry. Enormous plant expansion programs have been undertaken and are being pushed to completion. The best industrial brains of the country have been willingly drafted to enter the nation's defense organization.

Labor stands to gain more than any group—both by retaining its freedom and by getting full employment. But can labor say that it has put its shoulder to the wheel in the same cooperative manner? The answer is plainly "No!" Read your newspaper headlines: "Plants stop work on \$84,000,000 government order because of strike." "CIO leader will not be forced into shotgun agreement between his group and the American Federation of Labor." "Cantament building schedules far behind because of union jurisdiction squabbles." "Labor leaders intensify drive for shorter hours and more pay."

Such actions will not result in economic victory. These are the kind of headlines which make the dictator countries think that we are a "push-over." The arithmetic of many American labor union leaders is cock-eyed. We cannot compete with the dictatorships unless labor shows the same cooperation in carrying on our armament program as other groups are doing. All groups must sacrifice, including labor!

Labor's Opportunity
Labor has made tremendous strides in recent years. No one is asking labor to give up these gains. Many reforms affecting labor have been long overdue, but as a sincere friend of labor since World War days, when I was Assistant Secretary of Labor, I would like to pass on a word of advice. Do not put yourself in the class of war profiteers. The American people are in no mood to have their stand against the dictatorships jeopardized by any one selfish group. The stakes are much too large. Labor must not insist on its pound of flesh. If it does, it will lose far

more than just the disapproval of the country, to say nothing of weakening our drive against the forces of evil.

Through cooperation between industry and government, the lid on industrial commodity prices can be tied down. If the cost of labor is raised unnecessarily, labor will be building the fire of inflation under our price kettle. When the kettle explodes into rapidly-rising prices, it will be labor, above all groups, which will be scaled the worst. Even though wage rates are raised during an inflationary trend, prices will rise even more rapidly. The standard of living of all classes would be squeezed because of this and labor would stand to lose most of all.

Unity and Sacrifice Necessary
American industry should be thankful for its technical skills and efficiency which allow the United States to be the most effective producer of industrial materials in the world. Employers and wage workers should be thankful that we have the highest standard of living and the most progressive labor laws of any great nation. Both labor and capital, however, must pull together to carry us on to economic victory. Only through a spirit of self-sacrifice on the part of all groups will we be able to preserve our American way of living. Remember, we are now the only "free" country. Only in America does labor still have an equal voice with government and capital.

Incinerator Electric Bill Shows Decrease

During a discussion of the cost of operating the city incinerator Thursday in city hall, D. O. Davies, head of the health department, asserted the cost of electricity at the incinerator had been cut 50 per cent by Lew Williams, an attaché. He said that Williams so regulates the furnaces it is not necessary to use the fans as much as prior to his being placed on the job.

North Beaver

Guy Fullerton left Monday for Chicago to attend the livestock show.

Mr. and Mrs. Lawrence Moore and son, of Beaver, called at the home of relatives here Sunday.

Mr. and Mrs. Earl Druschel and son spent Thanksgiving Day with relatives in New Castle.

John Kyle, who had the misfortune to hurt his leg last week, is able to be out again.

Rev. E. A. Shoemaker is spending a few days with his parents, Rev. and Mrs. F. B. Shoemaker of Brookville.

Samuel Craig, William Kildoo and

Lex Mitten left Monday morning for Leeper, Pa., where they will hunt deer.

Paul and Alvin Snyder motored to Kane Monday to hunt deer, and the latter was successful in bagging a doe.

James and Eral Cox, of Iowa, are visiting with C. V. Cox and expect to spend several weeks in Pennsylvania.

Sarah Thompson has resumed her studies at Westminster College after spending her vacation with her parents here.

Paul and Harry Kinney, Oscar Lipp, Joseph McKim and Loyal McAnlis have left for McKean County whether they will hunt deer.

Mrs. McConaghy entertained a number of schoolmates of her daughter, Anna, Saturday afternoon, in honor of the latter's twelfth

birthday. Games were enjoyed and delicious refreshments were served. Many lovely gifts were received by the honoree.

Thanksgiving Day guests of Mr. and Mrs. Samuel Fullerton were

Mr. and Mrs. Howard Eakin of Portersville, Mr. and Mrs. Frank Sowash, Mr. and Mrs. Ted McCreary and family of New Castle, and Mr. and Mrs. John Benson and daughter of North Beaver.

In Williamson, W. Va., there is a building whose walls are made of 12-inch thick coal blocks. It is intended as an advertisement for that coal mining town, and is insured again fire.

APPLE CANNING SEASON NEAR END

Processing Of Apples Grows
To Large Proportions
In Pennsylvania

(International News Service)
HARRISBURG, Dec. 6.—The 1940 apple canning season is now drawing rapidly to a close, the Pennsylvania Department of Agriculture announced.

The processing of apples in Pennsylvania into such byproducts as canned sliced apples, apple sauce, apple butter, apple juice, jelly, mince meat and vinegar, has grown to such proportions in recent years, said the secretary of agriculture, that it has placed Pennsylvania in the front ranks with New York, Washington and Virginia as a leader in the apple industry.

Establish Street For Proposed Bridge

Council passed an ordinance when the body convened in city hall on Thursday which establishes a 100 foot wide street across the Nesquehanna creek between Croton avenue extension and South Mercer street. The street will be known as Grove street extension. The street was established for a bridge, proposed to span the creek.

Grand Champion Brings Down \$3,587

(International News Service)
CHICAGO, Dec. 6.—Sargo, the grand champion steer of the International Stock exposition brought \$3,587 per pound at auction, a total of \$3,587.10 for its 18 year old girl owner.

The white-faced Hereford, which won for Evelyn Asay of Mt. Carroll, Ill., the show's highest honor, was knocked down to a buyer for the champion farmers of America sponsored by the Firestone Tire and Rubber Company.

Mr. and Mrs. Ray Newton, of Edwood City, were Sunday guests of Mr. and Mrs. Clark Reno.

Mr. and Mrs. H. P. Dauten, were Thanksgiving Day guests of Mr. and Mrs. Carl Dauten of Camp Run.

Mrs. Clark Reno spent one day last week with her parents, Mr. and Mrs. Charles Rouser of Beaver Falls.

Mrs. Cora Hogue, who was discharged from the New Castle hospital last week is recovering at the home of her mother, Mrs. John Burnside of New Castle.

Among the hunters from this vicinity who have been successful in bagging deer are Reed Wellhausen, James Hogue, Harry White, Ray White, Neal Nelson and Clyde Young.

Subjects of King David are said to have brought "asses laden with cheese and raisins" to pay their taxes.

GIRL SLAYER IS SLATED TO TELL STORY ON STAND

Irene Drago, 20, Will Be Asked To Tell Of Conditions Prior To Fatal Shooting

(International News Service)
PITTSBURGH, Dec. 6.—Irene Drago, 20-year-old Duquesne girl who collapsed at her murder trial when called to the witness stand in her own defense, was expected to take the chair today and relate the details surrounding the slaying of her common-law husband, Emil Walser, 24, of McKeesport.
The courtroom, packed with curious spectators, was tense when Miss Drago's attorney called out her name yesterday afternoon. She appeared surprised, then turned white as she moved toward the witness chair. With a sudden, hysterical scream, she cried:
"I can't, I can't, I can't do it."
She fell back into her chair unconscious and court attaches rushed to her side to administer restoratives. Judge Michael A. Musmanno recessed court until today, at which time Miss Drago was expected to tell her own story.
Tears were visible in the eyes of several of the nine women in the jury box as Miss Drago fainted.

This charming couple are stars of Hollywood's latest true "rags to riches" story. Jane Russell, 19, a model and Los Angeles doctor's receptionist, and Jack Beutel, 21, who quit his job in a Dallas, Tex., insurance office three months ago to try his luck in the film capital, have the leading roles in "The Outlaw" although neither ever played in pictures before.

King George VI Braves Perils Of Air 'Blitzkrieg'

(International News Service)

LONDON, Dec. 6.—King George VI has braved all the perils of the Nazi aerial "blitzkrieg" in visits to various bombed areas of England, it was revealed today.

The monarch, accompanied by Minister of Supply Herbert Morrison visited damaged sections of Southampton and Portsmouth. At Southampton he coolly carried on a conversation less than 100 yards from an exploded time bomb and ignored a German observation plane overhead. At Portsmouth he was caught in an air raid.

During the raid on Portsmouth the King went to the huge naval dockyards, target of fierce German air attacks, and talked with the crews aboard some of the newly-arrived former American destroyers.

FIRE SCARE ON WALDO STREET

City firemen were called to 519 Waldo street at 12:15 o'clock this afternoon, where they found that someone had thrown a quantity of pork fat into the furnace, which burned fiercely for a short time, and alarmed the occupants of the home. No damage resulted, however.

Dog Catcher Is Bitten By Dog

City dog catcher, Jack Young, of 258 West Falls street, was treated for lacerations of the left hand at the Jameson Memorial hospital at 11:35 o'clock this morning.

Young was bitten by a dog which he was attempting to catch on Huey street.

FLYING TRANSATLANTIC MAIL

Although the transatlantic clipper are built to carry 3,000 pounds of mail they have transported 4,300 pounds, or 140,000 letters and packages with a postage value of about \$41,000, says Collier's. Incidentally, a clipper must carry all mail given it by the post office department, even if it has to cancel all passenger bookings.

NEW APPEAL MADE BY GREEK VESSEL

(International News Service)
NEW YORK, Dec. 6.—A new appeal for "urgent assistance" was sent out today by the Greek steamer Aghia Efendi, disabled in a severe storm about 40 miles west of the British Isles.

The message, wirelessly at 12:12 p.m., said the crew of 29 were still aboard but might be forced to abandon ship.

BEWARE OF DOG-WHIPPER

In Exeter cathedral, England, visitors are shown the "dog-whipper's room," just under the Minstrel's gallery. In ancient times the dog-whipper was an important functionary who whipped stray dogs out of the cathedral. His wand of gold is one of the cathedral's valuable relics.

Costs City \$9,500 For Workers Insurance

Cost of insuring the city's regular employees and those engaged on relief projects, such as city-WPA jobs, will cost the city \$9,500 during 1941, it was stated today by Finance Director J. L. Fink.
Provision for placing that amount in the 1941 budget was made at council's budget session. The city does not pay the wage of the men from the relief rolls or those engaged in city-WPA work.
Still, it seems strange to imprison divinity students and excuse Quakers because they don't believe in fighting.

**FUR DEALERS
GIVEN WARNING**
Urged Not To Purchase Furs
Believed To Have Been
Taken Illegally
(International News Service)
HARRISBURG, Dec. 6.—Fur dealers in the state were urged today by the Pennsylvania game commission not to purchase furs which they believe were taken illegally.
"A fur dealer who makes a practice of knowingly purchasing out-of-season pelts will receive no more consideration than the person who has taken the pelts illegally," the game commissioner warned.
The commission asked trappers and dealers not to sell their furs to out-of-state dealers unless he has a permit issued by the Pennsylvania game commission given him the right to purchase furs in this state.
Fur trappers were also urged to take greater care in trapping and handling pelts. There is a "lack of care in the handling of a very large percentage of the pelts," the commission noted. Fur dealers were asked to instruct young trappers in the art of trapping.

**Convention At
Bethel Church**
Mt. Jackson District Sessions
Are Held Thursday—Hofmeister Named President
Frank Hofmeister of Edenburg was elected president of the Mt. Jackson district, Lawrence County Sabbath School Association, at its annual convention held Thursday in Bethel U. P. church.
Mr. Hofmeister, retiring vice president, had charge of the afternoon session of the convention which was as follows: registration; 2:30, worship and presentation of them; Rev. Bradley Watkins; 2:45, round-table discussion, led by Miss Anna Perry, "The Valuable Bible School Teacher and Pupil"; 3:10, special music; 3:20, address by Rev. R. M. Patterson, D. D., pastor of Central Presbyterian church; 3:45, song, convention; message from county officers; report of state convention; election of officers; song, convention; closing prayer, Rev. Raymond Touvell.
Dr. Patterson's address was a most interesting one, on the Bible. Other officers elected were: vice president, George Roney, Enon Valley R. D. 2; secretary, Mrs. Charles Henderson, Enon Valley R. D. 1; treasurer, Guy Fullerton, Enon Valley; superintendents: children's division, Mrs. H. A. Butler; home department, Mrs. Bertha Bonnett; teacher training, Frances Fullerton; temperance, Rev. Ray Woodburn; adult, A. F. Arnold; Young People's, Helen McKean, Enon Valley; mission, Charles W. Stewart, Enon Valley R. D. 1; administration, P. W. Griffin; parent training, Rev. Raymond M. Touvell; religious training, W. Kenneth Gwin, New Castle R. D. 2; evangelism, Rev. E. A. Shoemaker, Mahoningtown R. D. 7.
For those who desired to remain at the church until the evening session, lunch was served in the church basement. Paul Wallace, retiring president, had charge of the evening session, when Charles Campbell, superintendent of one of the most active Sunday schools in Pittsburgh, was the speaker. At the Mt. Lebanon U. P. Sunday school, where he has been superintendent for over 20 years, there is an average attendance each Sunday of over 1,000. The evening program follows: 8, worship, led by Enon Valley Christian church; 8:10, scripture readings, representatives of schools; M. Strickler, Jr., county president; 8:40, solo; 8:45, address by Mr. Campbell; 9:10, business; song, convention; prayer and benediction, Rev. W. J. Engle.
A report of the resolutions committee given by the chairman, Rev. Ray Woodburn, gave thanks for the peace of the United States and expressed earnest prayers for world peace. The program participants, host church and county officers were given a vote of thanks and hearty support for the cause of temperance and Sunday observance was expressed.
Next convention will be held in the Bessemer Presbyterian church. Other retiring officers are the secretary, Mrs. Charles Henderson, and treasurer, Guy Fullerton.

FUR DEALERS GIVEN WARNING

Urged Not To Purchase Furs
Believed To Have Been
Taken Illegally
(International News Service)

HARRISBURG, Dec. 6.—Fur dealers in the state were urged today by the Pennsylvania game commission not to purchase furs which they believe were taken illegally.
"A fur dealer who makes a practice of knowingly purchasing out-of-season pelts will receive no more consideration than the person who has taken the pelts illegally," the game commissioner warned.
The commission asked trappers and dealers not to sell their furs to out-of-state dealers unless he has a permit issued by the Pennsylvania game commission given him the right to purchase furs in this state.
Fur trappers were also urged to take greater care in trapping and handling pelts. There is a "lack of care in the handling of a very large percentage of the pelts," the commission noted. Fur dealers were asked to instruct young trappers in the art of trapping.

Convention At Bethel Church

Mt. Jackson District Sessions
Are Held Thursday—Hofmeister Named President

Frank Hofmeister of Edenburg was elected president of the Mt. Jackson district, Lawrence County Sabbath School Association, at its annual convention held Thursday in Bethel U. P. church.
Mr. Hofmeister, retiring vice president, had charge of the afternoon session of the convention which was as follows: registration; 2:30, worship and presentation of them; Rev. Bradley Watkins; 2:45, round-table discussion, led by Miss Anna Perry, "The Valuable Bible School Teacher and Pupil"; 3:10, special music; 3:20, address by Rev. R. M. Patterson, D. D., pastor of Central Presbyterian church; 3:45, song, convention; message from county officers; report of state convention; election of officers; song, convention; closing prayer, Rev. Raymond Touvell.
Dr. Patterson's address was a most interesting one, on the Bible. Other officers elected were: vice president, George Roney, Enon Valley R. D. 2; secretary, Mrs. Charles Henderson, Enon Valley R. D. 1; treasurer, Guy Fullerton, Enon Valley; superintendents: children's division, Mrs. H. A. Butler; home department, Mrs. Bertha Bonnett; teacher training, Frances Fullerton; temperance, Rev. Ray Woodburn; adult, A. F. Arnold; Young People's, Helen McKean, Enon Valley; mission, Charles W. Stewart, Enon Valley R. D. 1; administration, P. W. Griffin; parent training, Rev. Raymond M. Touvell; religious training, W. Kenneth Gwin, New Castle R. D. 2; evangelism, Rev. E. A. Shoemaker, Mahoningtown R. D. 7.
For those who desired to remain at the church until the evening session, lunch was served in the church basement. Paul Wallace, retiring president, had charge of the evening session, when Charles Campbell, superintendent of one of the most active Sunday schools in Pittsburgh, was the speaker. At the Mt. Lebanon U. P. Sunday school, where he has been superintendent for over 20 years, there is an average attendance each Sunday of over 1,000. The evening program follows: 8, worship, led by Enon Valley Christian church; 8:10, scripture readings, representatives of schools; M. Strickler, Jr., county president; 8:40, solo; 8:45, address by Mr. Campbell; 9:10, business; song, convention; prayer and benediction, Rev. W. J. Engle.
A report of the resolutions committee given by the chairman, Rev. Ray Woodburn, gave thanks for the peace of the United States and expressed earnest prayers for world peace. The program participants, host church and county officers were given a vote of thanks and hearty support for the cause of temperance and Sunday observance was expressed.
Next convention will be held in the Bessemer Presbyterian church. Other retiring officers are the secretary, Mrs. Charles Henderson, and treasurer, Guy Fullerton.

YOUTH PROBLEMS ARE DISCUSSED

County Principals View Need
For Character Education At
Monthly Meeting

Members of the Lawrence County Principal's Association discussed the growing need for character education among the youth of the country at the monthly meeting of the association in the office of County Superintendent of Schools John C. Syling, in the Court House Annex, on Wednesday evening.
I. V. Holmes, supervising principal of the Wampum schools had charge of the program and led in the discussion, the topic being, "Social changes that effect youth and need for character education." A number of the principals took part in the discussion.
There was a large attendance of the membership and only routine business was transacted in addition to the program.

BRITAIN LOOKS FOR MORE U. S. AID

Belief Grows In London That Major Development Is In Prospect

By CHARLES A. SMITH
International News Service Staff Correspondent

LONDON, Dec. 6.—Despite official warnings to go slow and not expect too much too soon, belief grew rapidly in London that some major development in America's program to aid Britain is in preparation.

As a result, speculation began to run riot both in newspapers and among the British public as to the extent and speed of future United States assistance.

There were suggestions that the British government immediately should give some clear-cut, public indication of what it wants from America—and when—to clarify the present welter of conflicting reports from the United States and the current outpouring of imaginative British speculation.

In reply to these suggestions, well informed London quarters pointed out that the present discussions in Washington are merely touching the fringe of the complex problem of American aid. They declared that until a full report has been received from Lord Lethian, British ambassador to Washington, and studied by the British cabinet, it would be "foolish to rush prematurely into print."

RUMANIA WILL HALT REBELLION

Decree Threatens Death Penalty For Any Leading Revolt

(International News Service)
BERLIN, Dec. 6.—A decree threatening the death penalty to persons who lead or instigate rebellions has been issued by the Rumanian government of Premier Gen. Ion Antonescu, a German official news agency (DNB) dispatch from Bucharest reported today.

The report said life sentences at hard labor will be meted out for joining a rebellion and that offenders will be dealt with by a special military court consisting of three generals.

Verdicts of this court will not be subjected to appeal, DNB reported, and must be pronounced within 24 hours. Sentences will be executed within another 10 hours.

BUSINESS SEEN AT HIGH LEVEL

(International News Service)
PITTSBURGH, Dec. 6.—Pittsburgh district business, spurred on by record-breaking operations in the steel industry, hit an all-time peak last week, the bureau of business research of the University of Pittsburgh reported today.

"The bureau's index which has been adjusted for seasonal changes, advanced from 135.2 per cent of the 1923-25 average in the week ended November 23, to 138.4 last week, the highest level ever reached in this research group's records. The index, too, is substantially higher now than it was in the average week of the boom days in 1920.

RED PAMPHLETS FOUND ON LINER

(International News Service)
LISBON, Port. Dec. 6.—Thousands of Communist pamphlets destined for Spain were discovered aboard the America Liner Escalibur. Lisbon port police stated today after searching the vessel.

According to Lisbon authorities, the pamphlets were to be transferred to the Spanish steamer Celta, which also was searched. Several arrests were made.

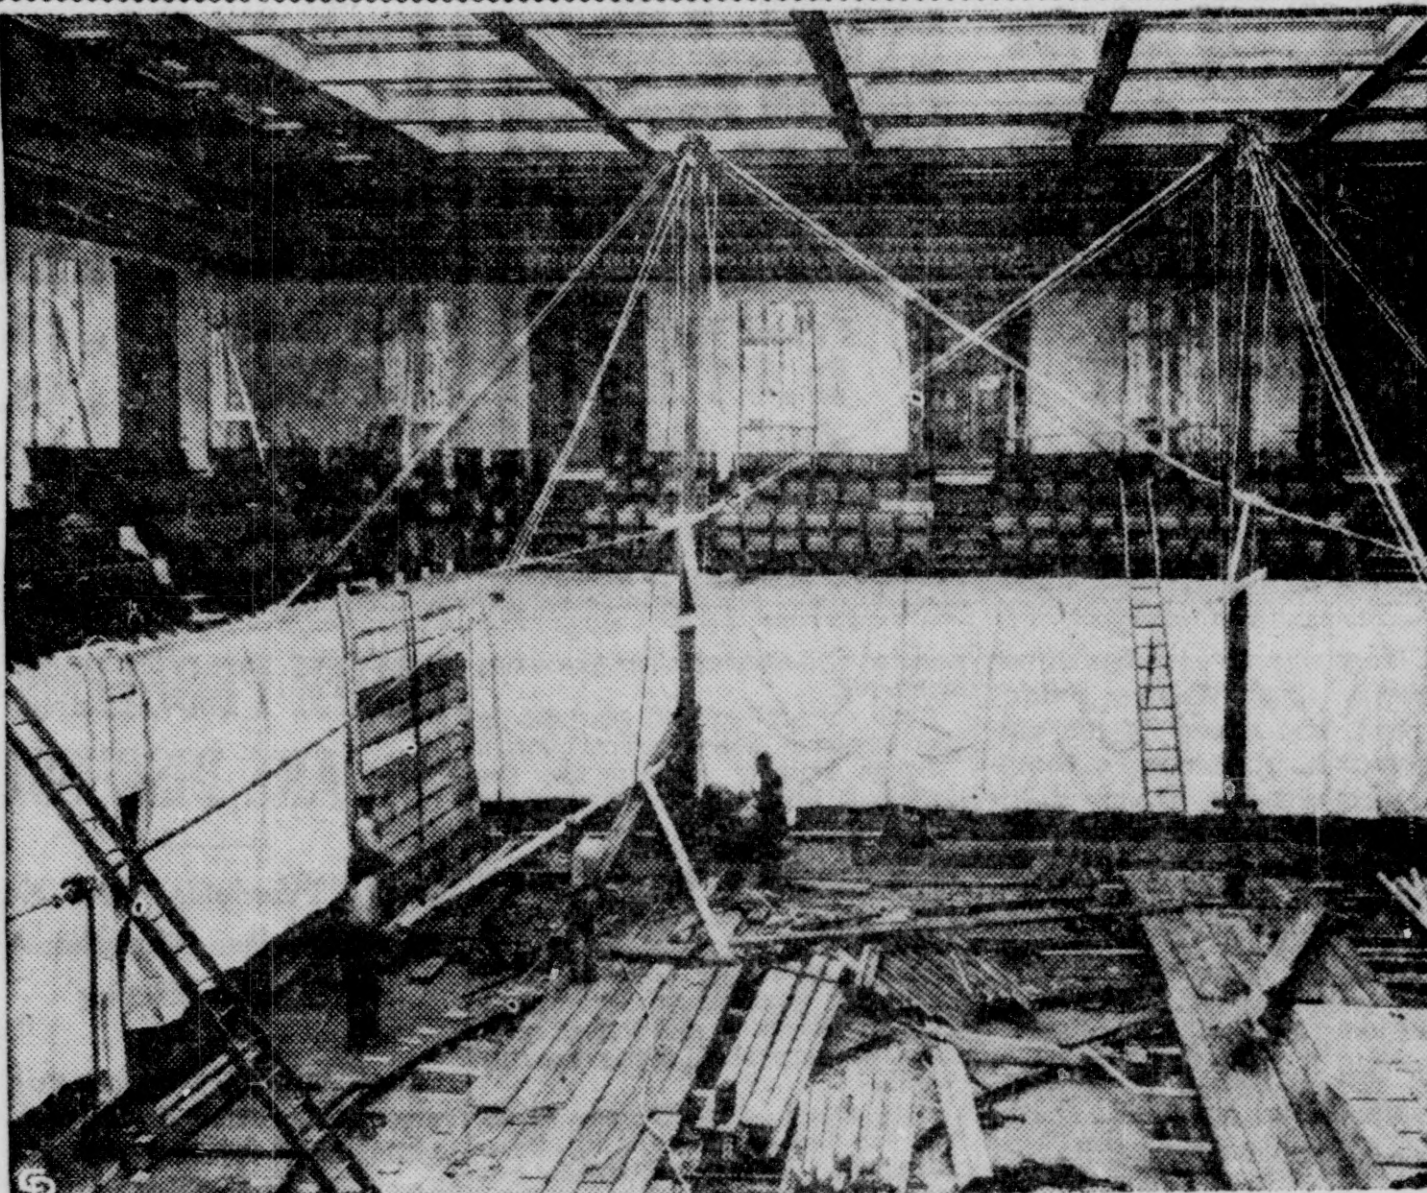

Regard Mayberry Best Collector

Council Makes Appropriation Of \$100 To Pay For Auto Expense

James Mayberry was agreed upon as the best city mercantile tax collector the city ever has had and as a reward for good work, council while discussing the budget for 1941, decided to allot \$100.00, as an expense for operating his own automobile. Mayberry, the solons said, usually gets every penny of mercantile tax owed the city, unless the business concern goes out of business.

Mayor Charles B. Mayne said Mayberry doesn't accept a tale of woe then forget to return to a business concern. "He keeps going until he gets the tax," the mayor indicated that the woe claimers were able to pay the tax.

Hammer Blows Replace Speeches In U. S. Capitol

NEW POLICE CAR TO COST ABOUT \$900

When appropriations for the police bureau were discussed during consideration of proposed budget for 1941, it was stated by Mayor Charles B. Mayne that \$900 should be put in the budget for a new police automobile. One of the present cars will be disposed of. The mayor plans to ask for another new car for 1942.

CITY NEEDS 1,000 FEET OF FIRE HOSE

Councilman D. O. Davies informed colleagues in budget session in city hall Thursday the department of fire needs 1,000 feet of 2½-inch new fire hose. No new hose was purchased for 1940. Until this year it was a custom to purchase some hose every year. Council agreed the hose should be bought. Therefore an appropriation for the hose was placed in the budget.

NO ADDITIONAL 'COPS' TO BE NAMED IN '41

There'll be no additional policemen named in 1941 if indications expressed by Mayor Charles B. Mayne yesterday in council's budget-making meeting in city hall. Appropriations for wages as existed in 1940 were not changed materially, according to the present set-up.

Most Relief Given Persons Unemployable

Analysis of Conditions In
County Made By County
Board Of Assistance

FOUR TYPES OF AID ARE GIVEN

Based on the expenditures incurred by the Lawrence County Board of Assistance for all types of aid in October, direct public assistance in this county is now 58.5 per cent an "unemployable" problem and only 41.5 per cent an "unemployment" problem. County Office Manager Harry G. Harris said today.

A study just completed for the county board shows that Lawrence County is one of 65 counties in the state where a larger expenditure is accounted for by grants to the aged, dependent children, blind and "unemployable" general assistance cases than by grants which may properly be designated as "unemployment relief." In only two counties is the reverse true.

The study, limited to the four types of assistance administered locally by the county board and excluding WPA federal work relief, shows that out of a total of \$89,145.00 granted to 7,753 men, women and children in the county during October, \$52,166.00 or 58.5 per cent went either to general assistance cases or to cases on old age assistance, aid to dependent children or blind pension rolls.

"This does not mean, of course, that unemployment relief is no longer a substantial burden," Mr. Harris said. "If we consider Federal WPA as well as state financed general assistance to employable persons, the need for a great many more job opportunities is obvious and it is equally obvious that any major reduction in WPA would necessitate more state relief expenditures."

A breakdown of the amounts expended by the county board of as-

istance for the "unemployable" and "unemployment" groups of cases and the numbers of recipients involved, follows:

Employable groups: General assistance cases with at least one employable member, 1,035 cases involving 4,019 persons, and an expenditure of \$36,979.

Unemployable group: General assistance cases with no employable member, 453 cases involving 1,203 persons and an expenditure of \$11,285; old age assistance, 1,054 cases and persons and an expenditure of \$22,783; aid to dependent children, 393 cases involving 1,347 persons, and an expenditure of \$14,198; blind pensions, 130 persons, and an expenditure of \$3,900.

The New Wilmington District Council met Monday evening in the East Brook U. P. church. Rev.

Robert Douglass led the devotions and Mr. Martin showed interesting pictures. Games were in charge of Jack Houston and later lunch was served by the local council.

In the home of Mrs. Emma Boyles, members of the Mary Jane Missionary Society gathered Tuesday evening for a tureen dinner. Following dinner devotions were conducted by Mrs. Nannie Black, and topics were discussed by Mrs. Lucile Patterson, Mrs. Margaret Patterson, Helen Young and Mrs. Helen Martin.

Dr. and Mrs. J. H. McConnee, and daughter, Ethel, have been visiting recently with Rev. and Mrs. Robert Douglass. Dr. McConnee and family have returned recently from India where he has served as professor in the Seminary for the past forty-five years.

A drafted boy complains that he was issued ill-fitting uniforms and then bawled out for not buying himself a tailored suit. Sh! Let's have unity.

DIRECTORS NAMED FOR FIELD CLUB

Three Are Elected—Officers Of Board To Be Named Next Week

New Castle Field club members re-elected Harry L. Gornley and Joseph A. Green to their board of directors and chose C. Leroy Shira as a new director in their annual balloting.

Officers will be elected by the directors next week. Along with Gornley, Green and Shira the board will include Alex Crawford Hoyt, Charles H. Johnson, Jr., Elmer W. Reiber, James R. Frew, Robert M. Garland and John W. Miller.

Present officers are Charles H. Johnson, Jr., president; Dr. William W. Horner, who is retiring as a director; vice president, John W. Miller, secretary, and Joseph A. Green, treasurer. Manager of the clubhouse is Hubert L. "Bud" Wagner.

Shira, the new board member, was chosen to head the New Castle board of education earlier this week. He is with the engineering department of Pittsburgh Limestone Corp. in the Johnson building.

Harry Palmer is confined to the Baseline hospital, Grove City. William Dale is confined to his home with a broken arm, received in a fall.

Mr. and Mrs. Phillips of Dormont spent Monday with Mr. and Mrs. Charles Conover.

Mr. and Mrs. Frank Spanglehour and T. A. George spent Monday at Sigel hunting deer.

Mrs. Everett Moore is visiting her daughter, Mrs. Fulton Elder of Youngstown, who is ill.

Clara May Bell of Mars spent several days last week with her aunt, Mrs. Arthur Cooper.

Mr. and Mrs. Walter Bixler spent several days with Mr. and Mrs. Ralph Moore of Clintonville.

Sylvester Matuszewski, who underwent an operation in the Grove City hospital, is recovering nicely.

Rev. and Mrs. Spencer were the guests over Thanksgiving of Mr. and Mrs. Jerry Stokes, Jr., of Erie.

Mr. and Mrs. Charles Conover of

Pittsburgh, who recently purchased the John Campbell property, moved in Monday.

Arthur Walker of Winston-Salem, N. C., has returned to his home after visiting his mother, Mrs. Minnie Walker.

Mr. and Mrs. Kenneth Cooper and children are spending this week-end with Mr. and Mrs. Floyd Henry of Reynoldsville.

Corporal Harvey MacGiffen Oaks, who is stationed at Aberdeen, Md., is visiting his parents, Mr. and Mrs. John Oaks.

Mr. and Mrs. Arthur Stevenson and Barbara Ann of Sharon were dinner guests of Mr. and Mrs. D. E. Stevenson recently.

Mrs. John Zahnizer of Franklin spent last week with her mother, Mrs. Nancy Martin, who is ill at the home of her daughter, Mrs. John Dight.

A number of people from here attended the funeral of W. Fred Potter, who died suddenly Friday, and whose services were conducted Monday in Prairie cemetery, Harrisville.

DAILY DOZEN

(From the Medical Society of the State of Pennsylvania)

Raw milk has caused many outbreaks of disease infection.

Tuberculosis has been spread by milk from diseased cows.

Undulant fever may be caused by germs harbored in raw milk.

The pasteurization process makes raw milk safe.

This treatment does not affect the food value of milk.

Most large cities have laws prohibiting the sale of raw milk.

Outlying roadside stands sell raw milk to the city residents.

Such raw milk is often produced under unsanitary conditions.

Why do persons take such chances with their health?

Pasteurization of milk is a health measure aimed to protect.

Diseases cannot be spread by pasteurized milk.

Raw milk is definitely a source of communicable diseases.

After hearing testimony in the injunction suit brought by the county commissioners against the Pearson Brick Manufacturing company Judge W. Walter Abraham handed down an opinion Thursday enjoining the defendant company

from removing any equipment or materials from the Volant brick plant until a final hearing can be held.

The commissioners alleged that the company had removed equipment and materials from the plant which had been sold for delinquent taxes.

Officers of the company admitted the removal of some rails near the plant but said that the rails were being taken up to provide a truck road from the clay bank to the brick plant. They also admitted removing some racks but explained that these had been removed to another place for safe keeping.

Judge Abraham handed down the temporary injunction. The case

will be disposed of finally sometime later.

Marie M. Stoughton, treasurer of the Democratic county committee, has filed a report of the expenditures of the party in this county during the November election.

The report shows a total of \$873.22 expended and receipts and contribution of \$878.

Oliver J. Shannon, Republican candidate for the General Assembly, reported a total of \$155.50 spent.

Judge Thomas W. Dickey Thursday handed down an opinion and order in the case of J. Clyde Gillilan versus Frank R. Holliday, E. Gertrude Holliday and John T. Holliday.

In the order, the rule in a motion for judgment for want of sufficient affidavit of defense is made absolute and a judgment of \$2403.05 given the plaintiff, with interest from March 8, 1940.

Judge Dickey was not in court to hand the opinion down in person

but signed it in the hospital where he has been for about two weeks.

The opinion and order had been dictated before he went to the hospital and he signed it late Wednesday.

John Adams, the second president of the United States, lived to see his son, John Quincy Adams, become the sixth president. The elder Adams lived for more than a year after the inauguration of his son.

Sweeper Repair Bill Costly This Year

When council, in budget conference Thursday in city hall, discussed the city's street sweeper, Finance Director James L. Pink inquired as to whether or not it would be cheaper to discard the present sweeper.

He state records show \$1000 was expended for its repair. Streets Director W. H. Dunlap replied the sweeper is in excellent condition now and anticipates not more than \$100.00 will be required for any necessary repairs in 1941. The latter appropriation was ordered made.

The average age of the men who signed the Declaration of Independence was 45 years. Benjamin Franklin, 71, was the patriarch of the group.

Fifteen Members As Re-

(International News Service)

WASHINGTON, Dec. 6.—House
members are divided into two camps
of opinion today on the proposition
of increasing their membership by
15 representatives.Rep. Rankin (D) Miss., ranking
majority member of the house cen-
sus committee, introduced a bill to
increase the membership from 435
to 450 on the basis of an increase
in population.His colleagues immediately took
sides on the proposition, many in
support of the measure to spread
representation in accordance with
the population increase, while others
contended the lower chamber either
is just the right size, or already too
"unwieldy.""I think the house is big enough,"
Rep. Sumners (D) Tex., chairman of
the judiciary committee, asserted.
"I'm opposed to it.""I think it would be a mistake to
increase the membership," Rep. Hope
(R) Kan., declared. "I don't feel
that it would be practical.""I think we're unwieldy as it is,"
Rep. Short (R) Mo., said.Rep. Cochran (D) Mo., also de-
clared stout opposition to Rankin's
proposal.On the other hand, Rep. Moser
(D) Pa., asserted that as the popu-
lation of the nation increases "we
certainly are entitled to more rep-
resentation."

DOUBLE DELIGHT MELON

A new variety of melon developed
by Arthur Combe, of Ogden, Utah, is
a double delight—it features also the
flavor of ice cream. Somewhat like
a cantaloupe, and good to eat, the
melon will be commercially used to
flavor ice cream and other food
products.The first full-sized book published

ALUMINUM TRAIN
INTO RAIL SERVICEROME—Italy has produced an
all-aluminum train. It consists of
six coaches, containing forty-eight
first class seats and sixty-four sec-
ond class seats, and runs on the
main Rome-Calabria line.

The aluminum, which is very hard

and produced in Italy is especially
light. A coach only weighs 33 tons
against the 45 tons which ordinary
metal coaches weigh. They are 63
feet long and streamlined.Each coach is covered externally
by a single sheet of aluminum with
deep horizontal grooves which form
a pleasing design. The roof, window
frames and doors are also made of
the same metal.

FORMER BRITISH PASSENGER LINER DAMAGED IN FIGHT

Engages German Raider In South Atlantic, Is Now Auxiliary Cruiser

(International News Service) LONDON, Dec. 6.—The 20,063-ton former British passenger liner Carnarvon Castle, now an auxiliary cruiser, was slightly damaged yesterday during an engagement with a German sea raider in the south Atlantic, the British admiralty announced today.

EDITOR'S NOTE: A Berlin announcement said a British auxiliary cruiser had been severely damaged in a sea battle in the south Atlantic with a German auxiliary cruiser.

The admiralty added that the extent of the damage inflicted upon the German raider was not known. The Nazi vessel, the announcement said, was last seen steaming to the north at high speed, away from the scene of action.

Musical chair was played, with Donna Jean Barrett at the piano. Delores Perette won the game. Taps closed the meeting, and also goodnight circle. Scribe, Pauline Duff.

CHARGES DENIED BY MONTGOMERY

New Castle Man Faces Alleged Shortage Charge In Youngstown Court

YOUNGSTOWN, Dec. 6.—Glenn E. Montgomery, aged 35, of West Washington street, New Castle, secretary-treasurer of a Christmas savings club for Ohio Edison Co. distribution department employees, was arrested on a warrant charging he embezzled \$2,900 of the club's funds.

Montgomery was arrested on a warrant sworn to by Cyrus Samuels, a club member, by Detectives Thomas Bowser and Zeno Brooks. Montgomery declined to comment on his arrest. He was held to the grand jury under \$5,000 bond after he pleaded innocent and waived a preliminary hearing when arraigned.

before Municipal Judge Harry C. Hoffman. Montgomery, an engineering clerk, had not worked since Nov. 26 when he reported off sick. Ralph Shilling, president of the club and divisional Ohio Edison engineer, said today.

CITY AGAIN PUTS \$5,000 IN CONTINGENT FUND
There'll be another \$5,000 contingent fund in 1941, the same as in 1940. It was advocated by Finance Director James L. Fink when council discussed 1941 appropriations yesterday. He said that the city paid \$4,200 for a drowning last summer at Cascade park bathing pool. Free land: One where 130 million people are left exposed to foreign enemies because a few decide to strike.

STEWARDESS DIES FROM INJURIES

Toll Of Airplane Crash In Chicago Mounts To Nine Today

(International News Service)
CHICAGO, Dec. 6.—Miss Florence Little, 22-year-old stewardess of the United Air Lines transport plane which crashed near the Chicago airport Wednesday evening, died today at Holy Cross hospital.

Death of the young air hostess raised to nine the number of persons injured fatally in the accident, cause of which remained undetermined.

Miss Little suffered a skull fracture and internal injuries, and had hovered near death for many hours. She failed to rally despite three blood transfusions.

In addition to Miss Little, those killed when the giant airliner fell within sight of the airport were the pilot, co-pilot and six passengers.

Seven passengers remained under treatment at Holy Cross hospital today. One, Owen M. Frederick, 52, U. S. army engineer of Cleveland, O., was reported in critical condition. Another passenger, Paul Ryan, 60, president of the National Refining company, Cleveland, was said to have rallied following a blood transfusion. His condition earlier had been considered grave. All the other injured, the hospital

said, appeared to be making progress. These were Theodore F. Paulsen, 40, department store executive of Wilmette, Ill.; Leo Wolins, 37, Chicago contractor; Richard Pettite, 26, attorney of Boston, Cal.; George Haig, 45, of Dayton, O., an advertising firm executive, and Rolston G. Woodbury, 41, vice president of the Textile Banking company, New York City.

ROLL CALL GOAL HAS BEEN REACHED

Total Of \$12,585.85 Is Reported To Date With 7,000 Members Enrolled

Chairman Norman E. Clark of the 1941 Red Cross Roll Call announced this morning that the goal of \$12,000 had already been exceeded with 7,000 memberships reported and contributions totalling \$12,585.85. Additional amounts still outstanding are expected to bring the final total slightly over \$13,000.

Chairman Clark is more than gratified with the fine response made by the citizens of Lawrence county, and for the splendid efforts made by all the workers who assisted with the campaign.

A complete and detailed report will be submitted by Mr. Clark in the near future, when all returns are in. In the meantime, he urges workers to complete their reports as quickly as possible, so that the Roll Call can be terminated.

Appropriate \$30,000 For City-WPA Work

City-WPA projects will be continued in 1941, it was shown when council, in discussing the budget

for 1941 appropriated \$30,000 for the work yesterday. This money will be paid out for materials for paving streets, laying sidewalks and installing sewers.

The money will come back to the city, through assessment of the cost of material against property-owners, it was explained.

The News by Mail, for 1 Year, \$5.00.

NO NEW METERS WILL BE BOUGHT

Mayor Charles B. Mayne announced during consideration of the proposed 1941 appropriation conference Wednesday no new water meters would be purchased; neither will any new parts for meters be purchased. The mayor stated that when necessity requires

new meters he will replace worn out meters with meters now in the more outlying sections which are not being used extensively.

The pulse does not record all the heartbeats of a person. There have been instances where a man, whose pulse was only 60 beats a minute, had a heart that beat more than twice that fast.

FINK PLANS TO SAVE IN ASSESSOR'S BUREAU

Cost of operating the city assessor's bureau in 1941 will be less than in 1940, J. W. Cartwright will be the only assessor and he will assist in writing assessments when not in the "field" assessing new property and obtaining personal occupation

data. Finance Director J. L. Fink, stated yesterday he has not yet decided who to recommend for the position of chief clerk vacated when Mrs. Jennie Sankey, now Mrs. Neal Williams, left the service.

One explosion is an accident; two may be a coincidence; but half a dozen on the same day indicate need of hanging.

BRINGING UP FATHER

WELL, I USED SOME HIGH PRESSURE
ON YOUR WIFE'S BROTHER AND GOT
HIM TO STOP PRACTISING - ON THAT
HORN AT HIS HOUSE - I TOLD HIM
ALL THE NEIGHBORS HAD MOVED
OUT AND IF HE DIDN'T STOP - WE'D
HAVE TO PUT
HIM OUT -

THAT'S FINE - HE SHOULD
REALIZE I'M LOSING
RENT FROM TH' HOUSES
THAT ARE VACATED -

BRINGING UP FATHER

HE KNOWS YOU
OWN ALL OF THEM -
IN FACT - HE
RECALLS THAT
HE OWES YOU
TWO YEARS RENT -
SO HE AGREED TO
STOP PLAYING -

BRINGING UP FATHER

I'M GLAD MAGGIE'S
BROTHER HAS AT
LAST COME TO
HIS SENSES -

?

QUIET - BROTHER JIM
IS PRACTISING - HE
SAID THE ENVIRONMENT
IS BETTER HERE THAN
AT HIS HOUSE -

Dr. Oliver Williams

Coming To Mission

Dr. Oliver Williams, Erie, prominent in the United Brethren Church of America, will head a party, which will conduct special services in the City Rescue Mission, December 29, Superintendent Archie Gibson announced today. Dr. Williams, he said, is now conducting services in Florida. Special music will mark tonight's regular service at 8.

DRIVE BACKWARD

When most large floats for parades are mounted on motor-truck bodies, they face toward the rear so their high back ends will cover and conceal the driver's cab, declares Collier's. Thus the vehicle has to be driven backward in the procession.

New Radio BombWarren, Ohio, Inventor
Promised Chance To Demonstrate Invention
By GovernmentWOULD ELIMINATE
CHANCES OF MISS(International News Service)
WARREN, O.—A radio-controlled bomb able to score a hit nine times out of ten will be tested by United States Army engineers in the near future.

After conferring with ordnance engineers at Cleveland, Antonio Pannutti, of Warren, who holds patents on the locking zipper and other inventions, announced that he has been promised the chance of demonstrating his latest invention.

The proposed controlled bomb has small pontoon-like appendages affixed to hollow tubing in semi-circular shapes to the rear and side. By means of a radio unit, in the bomb's nose, its movement can be controlled through the tubings from side to side or up and down. As the bomb is released from the plane, the bomber, who lies flat on his stomach can observe the path of the missile and direct it accordingly.

The inventor declared that present day bombs often miss by as much as 1,000 to 3,000 feet. His invention, he added, would be much more humane since it would eliminate the hit and miss bombing of military objectives during a war.

Government(International News Service)
HAVANA, Nov. 26.—The Cuban post office department plans to issue two commemorative stamps in the near future, one to commemorate the hundredth anniversary of the invention of the postage stamp by Sir Rowland Hill and the other to commemorate the hundredth anniversary of the establishment of the medical press in Cuba.

The second stamp will be dedicated to Dr. Nicholas Jose Gutierrez who in 1840 published the first issue of the "Havana Medical Reporter."

The Rowland stamp will be a 10-cent airmail of which two million will be issued in sheets of 100 and 50,000 miniature sheets of four stamps will be printed to sell at 60 cents to collectors.

Four million Gutierrez stamps will be issued in denominations of two cents and one million in five cents, while 50,000 special miniature sheets of the two two-cent and two five-cent stamps will be sold to collectors for 25 cents.

All-Pennsylvania Eleven Is Picked

Penn State Places Three Men On All-State Choices Made By Coaches And Writers

Penn, Lafayette And Temple Get Two Men Apiece On First Team In Poll

By DICK SHANER
International News Service Sports Writer

PITTSBURGH, Dec. 6.—Penn State, with three players; Penn, Lafayette and Temple, each with a pair, dominated the 1940 All-Pennsylvania college football team compiled by International News Service through a poll of the state's gridiron mentors and announced today.

Pitt and Franklin-Marshall rounded out the first team.

Penn and Pitt dominated the second team also, with three players from each university landing berths. Villanova, with two men, and Penn State were represented on the runner-up squad, as were Duquesne and Little Susquehanna.

Reagan Vote Leader

Francis Xavier Reagan, Penn's brilliant backfield ace, led the entire field in the matter of votes, especially after his brilliant showing against Cornell in the final game of the season.

The first team follows, giving position, player, and school:

End, Len Warner, Penn.
Tackle, Bill Collins, Lafayette.
Guard, Charles Drulis, Temple.
Center, Leah Gajek, Penn State.
Guard, Ralph Tife, Pitt.
Tackle, Alex Schibanoff, Franklin-Marshall.
End, Tom Vargo, Penn State.
Back, John Patrick, Penn State.
Back, Frank Reagan, Penn.
Back, Andy Tomasic, Temple.
Back, Walter Zirniski, Lafayette.

Of the schools represented on the first team, Lafayette went through the season undefeated and untied. Penn and Penn State were beaten once and tied once, while Pitt, Temple and Franklin-Marshall experienced only mediocre campaigns.

HERE AND THERE IN SPORTS' LAND

Is a buck lacking in courage? Is it true he hides behind the "skirts" of a doe. One hunter with whom we discussed buck and doe hunting last night says the buck is unusually wary. He reported he had gone deep into the woods this week and failed to get a buck. Knowing him as a hunter not to be sneezed at, we inquired why he had returned with a doe. He explained: "I went deep into the woods. The doe came out as sentinels. I couldn't see a buck. However, it is the nature of a buck to stay from 100 to 500 yards in the rear of the doe and whenever a shot goes off, well, there goes the buck elsewhere."

Judging from the number of buck and doe shot during the slaughter there'll be less meat sold here for the next few days than during other periods of the year. Almost everywhere has some venison, and the query now heard is: "Do you want some venison?"

Wayne Sines, the bow and arrow man, got his buck and didn't get it. Here's his reason: A hunter shot a bullet into a buck. The bullet failed to bring down the buck. Like Daniel Boone, only Daniel used a muzzle-loader, off started Wayne. He finally got close enough to send an arrow through the lungs and down went the buck. He gave the buck to the rifleman.

In the Claremont section a "bull dog" was used to open roadways. Snow was 22 inches deep. . . . Carl Wallace, fox hunting, brought down a buck in Edenburg vicinity. . . . John Steinbrink and his 14 year old son, Frank, departed today, to hunt deer in Forest county.

An old-timer in the huntin' game says: "I believe that if the state would pay a lot of game wardens or good hunters, they would get rid of the barren doe more easily than the open season on doe."

No Football Game Here On Saturday

There will not be a Charity grid game here on Saturday it was announced today. An effort to get the Youngstown Rams here for a grid game on Saturday with the Wabash Bears was unsuccessful.

It was strongly intimated that an effort will be made to play the game on New Year's afternoon at Taggart Stadium. Nothing definite has been determined on this plan however.

Paul Waner Is Given Release By Pittsburgh

Cutting Loose Of 15-Year Old Veteran By Pirates Headlights Atlanta Session

DODGERS PICKED TO WIN PENNANT

By LAWTON CARVER
International News Service Sports Editor

ATLANTA, Ga., Dec. 6.—Some of the most important baseball deals in modern baseball times may be completed at Chicago next week when the major leagues hold their annual meetings. At least four clubs which failed to obtain players in dickers here at the minor league convention ending today will continue their negotiations when they get back out of the corn pone and pot-licker belt and into the forthcoming major league confabs.

The deals are generally started at the minor league conventions and completed later on after a lot of talk, misleading statements and general bag-punching with this year's major league session unlikely to be an exception.

Youngsters For Wrecks

Virtually everybody in both major leagues still are trying to make deals for good young players in exchange for spavined wrecks and everything that temporarily was held up by the termination of the minor league meetings today will be renewed next week.

Some club may so successfully negotiate that it will even win a pennant to supplant the Cincinnati Reds in the National League or the Detroit Tigers in the American.

In the meantime, the Pittsburgh Pirates announced that they had given Paul Waner his unconditional release. In other words, we are reminded that an era is passing. Paul Waner has been a Pirate outfield fixture for 15 years, and among the greatest batters of all time in that or any other league.

See Dodgers Winning

Most significant angle in connection with his release, of course, is that Manager Frankie Frisch is trying to build a winner with youngsters.

Manager Frisch has done no trading here to speak of, but quite definitely must be considered in next year's pennant race.

In fact, if you want the way they will finish as they are viewed by a National Leaguer who must remain anonymous, here it is:

The Brooklyn Dodgers, the Cincinnati Reds, the Chicago Cubs and the Pittsburgh Pirates, with the latter definite contenders if anything happens to the seemingly better outfits.

EASTON—Hooks Mylin is the first coach in Lafayette history to pilot the Leopards through two undefeated and untied seasons. His first was in 1937, the year he took the job. Other perfect records were turned in by Jock Sutherland in 1921, and Herb McCracken in 1926.

It was strongly intimated that an effort will be made to play the game on New Year's afternoon at Taggart Stadium. Nothing definite has been determined on this plan however.

Boston college will give Frank Deahy a new five-year contract at \$12,000, and the Eagles will have enough left to have another great varsity in 1941.

Warren To Play Here Saturday

New Castle High Floor Season To Open Tonight At Homestead, At Home Tomorrow

FIVE VETERANS WILL START GAME

New Castle High school basketball team opens its pre-league season tonight at Homestead high, and Saturday night the Warren high five will help New Castle pry off the home lid at Washington High floor. The preliminary Saturday starts at 7 o'clock.

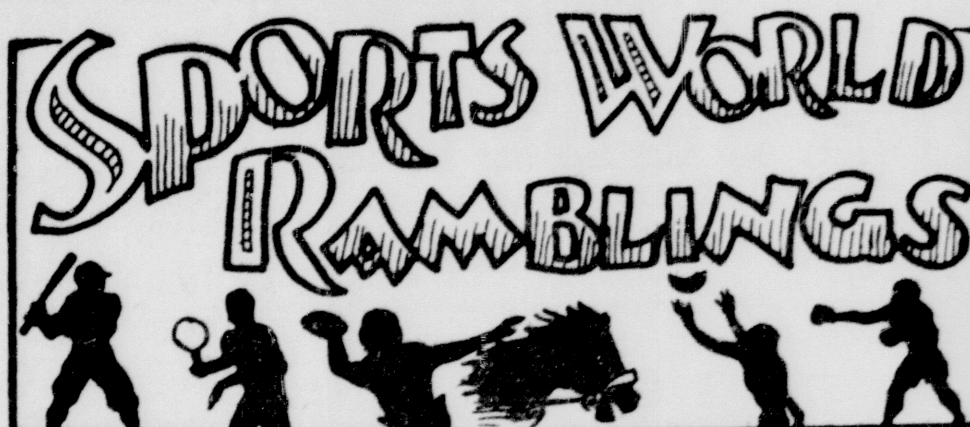

The New Castle team will leave for Homestead at 5 o'clock this evening. Twelve men will make the trip as follows: Gennock, Walls, Adamo, Christopher, Thomas, Lee, Parou, Tomalio, Bucc, Zubkowsky, Ross and Cooper.

Prices Are Same

The preliminary game Saturday night will find the George Washington team meeting the New Castle High Reserves. The Washingtons will have the edge having already played and defeated the Princeton High team recently. This should be an interesting battle.

The prices for the games this year will be the same as for the past several years—15 cents for students, 25 general admission in the balcony and 35 for reserved seats downstairs.

Flying is Tom Harmon's interest, besides announcing and singing. He would like to know more about aviation, the Michigan back admira. And Penn's Frank Reagan is being flooded with professional offers but he must remain an amateur until next spring in order to play baseball for his school.

Sports potpourri: One of the readers informs us that Bernie Mathieson of Koppel is a lad to jot down on the "watch list". Just past the 16-year mark Mathieson already looms as one of the brightest tennis prospects around this end of the state. The boy from the neighboring community has held the West Penn boys' title for two years and has represented the area in the National Boys' Tourney in Culver twice.

Seven Notre Dame first team seniors end their playing careers for the Irish against Southern Cal tomorrow. The list includes the talented Captain Milt Piepl, Bob Saggau, Tom Gallagher, Johnny O'Brien, Pete Kelly, Johnny Gubauch and Robert Tomas Osterman. When the '41 season rolls around, Elmer Layden will face a large task in endeavoring to replace the missing seniors.

Luke Appling, one of the most consistent hitters in the major leagues, is still hunting for his first home run in three seasons. Brooklyn is out to nail the 1941 National league crown. Besides removing the band from the bank roll, the Dodgers are conducting a fall camp at Long Beach, Cal. The Dodgers send promising youngsters to the coast ballclub in the hope of uncovering something sensational.

Joe Medwick will be out of place when he reports for spring training. The Dodger outfielder missed the past three grinds because he was a holdout. This year, however, he was among the first to autograph a contract. . . . Pinky Higgins of the Detroit Tigers, keeps in shape during the off season by officiating at high school football games in Texas.

One of the mid-west writers has engineered a clever idea. He suggests that fans select Joe Louis' opponent by ballot. Then, if the fight should be a stinkeroo, there won't be a comeback! . . . And Eddie Briez thinks Max Baer should have won the award for doing the most for boxing this year—for getting rid of Tony Galento if nothing else!

Baugh May Take Coaching Post

(International News Service)
WASHINGTON, Dec. 6.—"Sluggin' Sammy" Baugh, the tall, drawing Texan, who pitched the Washington Redskins to the eastern division championship of the National Professional Football League, said today he will remain with the club next year if he is given a "good contract."

The former Texas Christian University passing ace's three year contract, calling for between \$10,000 and \$15,000 a year terminates this season.

SEVENTH WARD NEWS

Stephen Foster Operetta Given

Cast in Young People's Chorus
Registers Another Fine
Performance

Music of Stephen Foster was featured in an operetta presented in fine style by members of the Mahoningtown Young People's chorus Thursday evening. Under the leadership of Miss Violet Shuler, director, this operetta was given for the second time, in answer to public demand.

Following members of the chorus performed their solo parts ably and well: Robert Parks, Margaret Hogan, Avanel Shearer, Idagaine Mitchell, Catherine Lewis, Ruth Glenn, Kenneth Evans, Jane Bollinger, Rev. Milton E. Shearer, Martha McCluskey Houk, John Phillips, Ethel Welther, Eileen Scheldemantle and Walter Evans.

After the program, the chorus enjoyed a social time in the Sunday school room of the Mahoningtown Presbyterian church. Entertainment committee members, including Rev. John E. Myers, Jr., Jean Hamilton, Ruth Glenn and Kenneth Evans, were in charge of the social event, and the following ladies of the church aided in serving refreshments: Mrs. W. R. Bollinger, Mrs. H. E. Alexander and Mrs. G. O. Scheldemantle.

According to Miss Shuler, meetings of the chorus will be discontinued until after the holiday season.

BEAVER PATROL AT HUTNICK RESIDENCE

Members of the Beaver Patrol of Boy Scout Troop 4, held a meeting at the home of Billy Hutnick, East Clayton street, Wednesday evening.

After a short business period, games of bingo were provided for entertainment and prizes went to Paul Reed and to Bill Hutnick. The boys made plans for a Christmas party and practiced first aid and signaling.

Next meeting will be at the home of Clair Arble, North Cedar street. Scribe, Paul A. Reed.

TO DISCUSS LIGHTS AT MEETING TONIGHT

Tonight at 7:30 o'clock a special meeting of the Seventh Ward Civic club, the Mahoningtown Garden club and interested residents of the district will be held in the office of Clarence Coates, corner of North Cedar and Cherry streets.

Purpose of the meeting will be to hear reports and make plans regarding the Christmas lights in the district.

HUNTERS GET DEER

SHORT SPORTS

If Billy Evans becomes a club owner in the American Association he is planning to operate independently.

Among Coach Bill Chandler's basketball candidates at Marquette university is his son, Bill, Jr., a sophomore.

There are so many sophomores to consider in making up Penn's basketball team that Coach Lou Jourdet called practice two weeks early.

Capt. Milt Piepul, Notre Dame's ace fullback, gained rather than lost prestige in the 20 to 0 defeat at the hands of Northwestern. "Moose" carried the ball 7 times for 67 yards.

signalling his return to top physical condition for the first time since the Illinois game Oct. 26. He and Bob Osterman senior center, made nearly three-fourths of the tackles while they were in action. Piepul's three-year record now shows 178 attempts from scrimmage, and 858 yards, an average of 4.8 per try. In 1940 he made 293 yards in 54 attempts, or 5.4 yards a trip.

Rabbit Maranville struck out more times than any player in National League history—753 times. In the American League Babe Ruth holds the all-time high—1,330.

Boulder, Colo.—County Judge E. J. Ingram is the only member of Colorado university's first football team in 1890 who still lives in Boulder.

Ice hockey is one of the most gruelling of games for the participant, but Hooley Smith of the New York Americans, is now in his 17th season of big league hockey.

Jimmy Foxx is spending the winter operating the Jungle Golf Club at St. Petersburg, Fla. He will promote a tourney for big league baseball stars.

Six important motorboat group meetings will be held in New York during the National Motorboat show beginning January 11.

CANBERRA, Australia—Adrian Quist's asthma resulted in the Davis Cup star's rejection when he attempted to enlist in the Australian army.

ANN ARBOR—Tom Harmon, Michigan's ace back who failed to score in three years against Minnesota, averaged 2.7 yards per attempt.

WILLIAM RAINS

ENLISTS IN ARMY

William Rains, of Wilmington avenue, an orderly in the Jameson

Memorial hospital, has departed for Maxwell Field, Ala., where he will assume his duties in the U. S. Army. Mr. Rains enlisted for a period of three years.

Narrow Limit To Trend Of Market

General Tone Of Stock Trading During Morning Is Steady

By LESLIE GOULD
International News Service
Financial Writer

NEW YORK, Dec. 6.—The stock market maintained its indecisive trend today, as leaders backed and filled within extremely narrow limits throughout the forenoon. The general tone was steady.

Activity showed no change from recent levels, with first-hour volume totaling 140,000 shares. Initial dealings were featured by a block of 10,000 shares of Lehigh Valley Coal at 1/2, unchanged from last night's price.

Some were mixed at the opening. A somewhat better tone developed in the second hour, as steels moved above previous closing levels, but the absence of any appreciable demand for stocks restricted the advance.

Bethlehem led the steels with a climb of almost a point. U. S. Steel, Youngstown Sheet & Tube and Crucible advanced fractionally.

DuPont, American Telephone, Eastman Kodak, Case and American Can, each up at least a point, were exceptions to the general rule of narrow price changes. U. S. Gypsum lost as much.

Modest improvement was shown by General Motors, Anaconda, International Electric, Westinghouse, N. Y. Central, Pullman, Standard Oil of N. Y. and U. S. Rubber.

Chrysler, Allied Chemical, Western Union, Texas Corp., American Tobacco "B" and Union Pacific held behind minus signs.
